## **Subchapter VI**

### **Interstate Compact on the Placement of Children [Effective until enactment of the new Compact by 35 states and upon promulgation of rules by the Interstate Commission]**

### **§ 381 Interstate Compact on the Placement of Children; enactment [Effective until enactment of the new Compact by 35 states and upon promulgation of rules by the Interstate Commission]**

The Interstate Compact on the Placement of Children is enacted into law and entered into with all other jurisdictions legally joining therein in form substantially as follows:

#### **ARTICLE I. PURPOSE AND POLICY**

It is the purpose and policy of the party states to cooperate with each other in the interstate placement of children to the end that:

- (a) Each child requiring placement shall receive the maximum opportunity to be placed in a suitable environment and with persons or institutions having appropriate qualifications and facilities to provide a necessary and desirable degree and type of care.
- (b) The appropriate authorities in a state where a child is to be placed may have full opportunity to ascertain the circumstances of the proposed placement, thereby promoting full compliance with applicable requirements for the protection of the child.
- (c) The proper authorities of the state from which the placement is made may obtain the most complete information on the basis of which to evaluate a projected placement before it is made.
- (d) Appropriate jurisdictional arrangements for the care of children will be promoted.

#### **ARTICLE II. DEFINITIONS**

As used in this compact:

- (a) "Child" means a person who, by reason of minority, is legally subject to parental, guardianship or similar control.
- (b) "Sending agency" means a party state, officer or employee thereof, a subdivision of a party state or officer or employee thereof, a court of a party state, a person, corporation, association, charitable agency or other entity which sends, brings or causes to be sent or brought any child to another party state.
- (c) "Receiving state" means the state to which a child is sent, brought or caused to be sent or brought, whether by public authorities or private persons or agencies and whether for placement with state or local public authorities or for placement with private agencies or persons.
- (d) "Placement" means the arrangement for the care of a child in a family home, either free or for boarding, or in a child-caring agency or institution, but does not include any institution caring for persons with mental illnesses, mental disabilities or epilepsy or any institution primarily educational in character, or any hospital or other medical facility.

#### **ARTICLE III. CONDITIONS FOR PLACEMENT**

(a) No sending agency shall send, bring or cause to be sent or brought into any other party state any child for placement in foster care or as a preliminary to a possible adoption unless the sending agency shall comply with each and every requirement set forth in this article and with the applicable laws of the receiving state governing the placement of children therein.

(b) Prior to sending, bringing or causing any child to be sent or brought into a receiving state for placement in foster care or as a preliminary to a possible adoption, the sending agency shall furnish the appropriate public authorities in the receiving state written notice of the intention to send, bring or place the child in the receiving state. The notice shall contain:

- (1) The name, date and place of birth of the child;
- (2) The identity and address or addresses of the parents or legal guardian;
- (3) The name and address of the person, agency or institution to or with which the sending agency proposes to send, bring or place the child;
- (4) A full statement of the reasons for such proposed action and evidence of the authority pursuant to which the placement is proposed to be made.

(c) Any public officer or agency in a receiving state which is in receipt of a notice, pursuant to paragraph (b) of this article, may request of the sending agency or of any other appropriate officer or agency of or in the sending agency's state and shall be entitled to receive therefrom such supporting or additional information as it may deem necessary under the circumstances to carry out the purpose and policy of this compact.

(d) The child shall not be sent, brought or caused to be sent or brought into the receiving state until the appropriate public authorities in the receiving state shall notify the sending agency in writing to the effect that the proposed placement does not appear to be contrary to the interests of the child.

#### ARTICLE IV. PENALTY FOR ILLEGAL PLACEMENT

The sending, bringing or causing to be sent or brought into any receiving state of a child, in violation of the terms of this compact, shall constitute a violation of the laws respecting the placement of children of both the state in which the sending agency is located or from which it sends or brings the child and of the receiving state. Such violation may be punished or subjected to penalty in either jurisdiction in accordance with its laws. In addition to liability for any such punishment or penalty, any such violation shall constitute full and sufficient grounds for the suspension or revocation of any license, permit or other legal authorization held by the sending agency which empowers or allows it to place or care for children.

#### ARTICLE V. RETENTION OF JURISDICTION

(a) The sending agency shall retain jurisdiction over the child sufficient to determine all matters in relation to the custody, supervision, care, treatment and disposition of the child which it would have had if the child had remained in the sending agency's state until the child is adopted, reaches maturity, becomes self-supporting or is discharged with the concurrence of the appropriate authority in the receiving state. Such jurisdiction shall also include the power to effect or cause the return of the child or its transfer to another location and custody pursuant to law. The sending agency shall continue to have financial responsibility for support and maintenance of the child during the period of the placement. Nothing contained in this paragraph shall defeat a claim of jurisdiction by a receiving state sufficient to deal with an act of delinquency or crime committed therein.

(b) When the sending agency is a public agency, it may enter into an agreement with an authorized public or private agency in the receiving state providing for the performance of 1 or more services in respect of such case by the latter as agent for the sending agency.

(c) Nothing in this compact shall be construed to prevent a private charitable agency authorized to place children in the receiving state from performing services or acting as agent in that state for a private charitable agency of the sending state nor to prevent the agency in the receiving state from discharging financial responsibility for the support and maintenance of a child who has been placed on behalf of the sending agency without relieving the responsibility set forth in paragraph (a) of this article.

#### ARTICLE VI. INSTITUTIONAL CARE OF DELINQUENT CHILDREN

A child adjudicated delinquent may be placed in an institution in another party jurisdiction pursuant to this compact, but no such placement shall be made unless the child is given a court hearing on notice to the parent or guardian with opportunity to be heard, prior to being sent to such other party jurisdiction for institutional care, and the court finds that:

1. Equivalent facilities for the child are not available in the sending agency's jurisdiction; and
2. Institutional care in the other jurisdiction is in the best interest of the child and will not produce undue hardship.

#### ARTICLE VII. COMPACT ADMINISTRATOR

The executive head of each jurisdiction party to this compact shall designate an officer who shall be general coordinator of activities under this compact in the executive head's jurisdiction and who, acting jointly with like officers of other party jurisdictions, shall have power to promulgate rules and regulations to carry out more effectively the terms and provisions of this compact.

#### ARTICLE VIII. LIMITATIONS

This compact shall not apply to:

- (a) The sending or bringing of a child into a receiving state by a parent, stepparent, grandparent, adult sibling, adult uncle or aunt or guardian and leaving the child with any such relative or nonagency guardian in the receiving state.

(b) Any placement, sending or bringing of a child into a receiving state pursuant to any other interstate compact to which both the state from which the child is sent or brought and the receiving state are party or to any other agreement between said states which has the force of law.

It shall become effective with respect to any such jurisdiction when such jurisdiction has enacted the same into law. Withdrawal from this compact shall be by the enactment of a statute repealing the same but shall not take effect until 2 years after the effective date of such statute and until written notice of the withdrawal has been given by the withdrawing state to the Governor of each other party jurisdiction. Withdrawal of a party state shall not affect the rights, duties and obligations under this compact of any sending agency therein with respect to a placement made prior to the effective date of withdrawal.

### ARTICLE X. CONSTRUCTION AND SEVERABILITY

The provisions of this compact shall be liberally construed to effectuate the purposes thereof. The provisions of this compact shall be severable and if any phrase, clause, sentence or provision of this compact is declared to be contrary to the constitution of any party state or of the United States or the applicability thereof to any government, agency, person or circumstances is held invalid, the validity of the remainder of this compact and the applicability thereof to any government, agency, person or circumstance shall not be affected thereby. If this compact shall be held contrary to the constitution of any state party thereto, the compact shall remain in full force and effect as to the remaining states and in full force and effect as to the state affected as to all severable matters.

G. Nothing in this article shall limit the receiving state's ability to take emergency jurisdiction for the protection of the child.

H. The substantive laws of the state in which an adoption will be finalized shall solely govern all issues relating to the adoption of the child and the court in which the adoption proceeding is filed shall have subject matter jurisdiction regarding all substantive issues relating to the adoption, except:

However, the provisions of § 501(a) of Title 13 shall not be considered by the Department in determining eligibility for assistance of any applicant or recipient of such assistance, but the Department shall encourage persons to seek and relatives to provide support that will eliminate or reduce the need for public assistance.

(b) Notwithstanding the provisions of this section or any other provision of law, the financial responsibility of an individual for any applicant or recipient of medical care shall be disregarded unless such applicant is such individual's spouse or child who is under the age of 18 years or who is blind or permanently and totally disabled.

(4) Enter into agreements or understandings with appropriate public agencies in other states whereby any or all of the benefits of this chapter may be extended to Delaware residents living in other states or to residents of other states living in Delaware on a reciprocal basis. In this connection the Department may establish policies which waive or alter the residence requirements of § 505 of this title;

Such recoupment may not exceed an amount which will result in the assistance unit's retaining from its combined aid, income and liquid resources, less than 90% of the amount payable under the State Plan to a family of the same composition with no other income. Recoupment must be made in accordance with applicable federal laws and regulations. The Department shall publish regulations establishing the recoupment rate at any time when there is a change.

In cases of total blindness even where the maximum amount of assistance of \$60 per month is allowed, the Commission may provide additional sums for medical and nursing care where the income of the recipient from all sources, together with such help as that recipient's family is able to render, is insufficient to provide reasonable subsistence and medical and nursing care compatible with decency and health.

Any assistance paid after the recipient has come into possession of such property or income and in excess of the recipient's need shall be recoverable by the Commission as a debt due it. Such action for the recovery of assistance shall not be abated by the death of the recipient.

**COURT-APPOINTED SPECIAL ADVOCATE PROGRAM**

**§ 3601 Purpose and construction of chapter.**

(a) Children who appear in Family Court as the subject of custody, visitation, guardianship, termination of parental rights, adoption and other related petitions that involve a dependent, neglected or abused child often are situated in the middle of an adversary process. These children have no one to represent their best interests, as opposed to the interests of the petitioner and respondent. Furthermore, when the child has no one specifically to represent what is in his or her best interests, the Family Court may only receive information that supports the position of the petitioner or respondent. Therefore, the purpose of this chapter is to provide for a system to ensure that children who are the subject of these proceedings before the Family Court have their best interests represented in those proceedings. To this end, the Family Court will establish and administer a Court-Appointed Special Advocate Program.

(b) This chapter shall be liberally construed that these purposes may be realized.

The General Assembly of the State recognizes that the quality of housing affects every aspect of an older individual's life, from the physical to the psychological. For many older Delawareans, maintaining themselves in a suitable environment is an ongoing battle. Some are unnecessarily forced into nursing homes because of the unavailability of housing that matches their physical needs or financial resources. In other cases, housing and/or relocation decisions are made without knowledge of the resources or alternatives available. The General Assembly, therefore, intends through this chapter to address this situation by establishing a Housing Counseling Program within the Division of Services for Aging and Adults with Physical Disabilities whose responsibility it will be to develop and coordinate a continuum of housing options for older Delawareans.

**§ 3901 Legislative intent.**

The General Assembly recognizes that many adult citizens of this State are subject to psychological or physical injury or exploitation because of physical or mental disability, impairment, illness or condition or other causes which render them incapable of providing for their basic daily living needs. The General Assembly, therefore, intends through this chapter to establish a system of services for impaired adults designed to protect their health, safety and welfare. The intent is to authorize only the least possible restrictions on the exercise of personal and civil rights and such restrictions may be permitted only when consistent with proven need for services.

The Department shall determine the client's ability to pay for services from a fee schedule and income criteria which shall be established by the Secretary under the rulemaking authority provided by this chapter. For a client aggrieved by a decision regarding fees, a caseworker's determination may be appealed to the program administrator.

(2) In the event that services are voluntarily accepted and no payment is made by a client whose resources are adequate for such payment, the State may take action in the Court of Chancery to obtain reimbursement; provided, that efforts have been made to collect the account through other means.

(3) Where protective services are provided under Court order, the Court may authorize reasonable payment to the Department from the resources of the person if the Department can prove to the satisfaction of the Court that payment may be made without endangering the welfare or interests of the person served.

(4) To the extent that funds are available, the cost of protective services not paid from the resources of the client shall be debited to the adult protective services budget.

(63 Del. Laws, c. 384, § 1; 66 Del. Laws, c. 49, § 2; 70 Del. Laws, c. 186, § 1; 78 Del. Laws, c. 179, § 376.)

(b) No person shall interfere with the provision of protective services to a person who requests or consents to receive such services or who has been ordered by Court to be provided with such services. In the event that interference occurs on a continuing basis, the Department or the service recipient may petition the Court to enjoin such interference.

(63 Del. Laws, c. 384, § 1.)

### **§ 3906 Involuntary protective services.**

If a person lacks the capacity to consent to receive protective services, these services may only be given in 1 or more of the following ways:

(2) By the Attorney General or a Deputy Attorney General of this State, pursuant to § 3907 of this title.

(3) By an emergency order of the Court, pursuant to § 3908 of this title. The Court shall order only that intervention which it finds to be the least restrictive of the person's liberty and rights, while consistent with the person's welfare and safety. The basis for such order and finding shall be stated in the opinion by the Court.

(4) By the appointment of a guardian pursuant to § 3901 of Title 12.

(5) By a social service worker on probable cause of death or immediate and irreparable physical injury pursuant to § 3907 of this title.

(63 Del. Laws, c. 384, § 1; 70 Del. Laws, c. 186, § 1.)

### **§ 3907 Probable cause of death or immediate and irreparable physical injury.**

(a) When probable cause exists to make a peace officer believe that a person will suffer immediate and irreparable physical injury or death if not immediately placed in a health care facility or other emergency shelter and that the person is incapable of giving consent, the peace officer may transport the person to an appropriate medical facility or emergency shelter.

(b) The peace officer shall immediately or at the beginning of the next working day notify the Department of such transfer and of the circumstances which necessitated it and any other relevant information.

(c) The adult protective services unit shall investigate, and if involuntary protective services are needed on a continuing basis for a person so transported, proceedings shall be initiated for supplying such services pursuant to § 3908 of this title or pursuant to § 3901 of Title 12.

(63 Del. Laws, c. 384, § 1.)

### **§ 3908 Emergency order for protective services.**

(a) Upon petition by the Public Guardian or adult protective services unit of the Department of Health and Social Services, the Court of Chancery may issue an order authorizing the provision of protective services on an emergency basis to an adult person after finding on the record, based on a preponderance of the evidence that:

(1) The person is impaired or incapacitated, as defined in § 3902(2) or (18) of this title;

(2) An emergency exists, as defined in § 3902 of this title;

(3) The person lacks the capacity to consent to receive protective services;

(4) No person authorized by law or Court order to give consent for the person is available and willing to consent to emergency services; and

(5) There are compelling reasons for ordering services.

(b) In an emergency order, the Court is to consider:

(1) Only such protective services as are necessary to remove the conditions creating the emergency shall be ordered; and the Court shall specifically designate the approved services in its order.

(2) Protective services authorized by an emergency order shall not include hospitalization or change of residence unless the Court specifically finds such action is necessary and gives specific approval for such action in its order.

(3) Protective services may be provided through an emergency order for a maximum of 90 days upon a showing to the Court that continuation of the original order is necessary to remove the emergency. During this period the person who is impaired may petition the Court to have the emergency order removed.

(4) In its order, the Court shall appoint the petitioner or another interested person other than the service provider as temporary guardian of the person of the person who is incapacitated. The temporary guardian shall assume responsibility for the person's welfare and be granted therein authority to give consent for the person for the approved protective services until the expiration of the order.

(5) The issuance of an emergency order and the appointment of a temporary guardian shall not deprive the person of any rights except to the extent validly provided for in the order of appointment.

(6) To implement an emergency order, the Court may authorize forcible entry of the premises of the person for the purpose of rendering protective services or transporting the person to another location for such services. Such forcible entry may be authorized only after a showing to the Court that attempts to gain voluntary access to the premises have failed and forcible entry is necessary. The order of the Court shall include an order to the appropriate police department authorizing forcible entry.

(c) The petition for an emergency order shall set forth to the best of the petitioner's knowledge and belief:

- (1) The name, address and interest of the petitioner;
- (2) The name, address and approximate age of the person in need of protective services;
- (3) If the information can be obtained and if any exist, the names and addresses of the spouse and next of kin of the person;
- (4) The petitioner's attempts to contact the persons named in paragraph (c)(3) of this section and their responses to the situation;
- (5) The petitioner's reasonable belief, together with facts supportive thereof, as to the existence of the facts stated in paragraphs (a) through (4) of this section;
- (6) Facts showing petitioner's attempts to obtain the person's consent to the services and the outcomes of such attempts; and
- (7) The proposed protection services.

(d) Actual notice of the filing of such petition, and other relevant information including the factual basis of the belief that emergency services are needed and a description of the exact services to be rendered, shall be given to the person, and at the Court's discretion, to the person's spouse, or if none, to the person's adult children, next of kin or guardian if any. Notice to any parties other than the person in need of services may be waived by the Court if the petition avers with specificity that such notice would be detrimental to the person who is impaired. Such notice shall be given in language reasonably understandable by their intended recipients at least 24 hours prior to the hearing for emergency intervention, and longer if possible.

(e) Upon the filing of a petition for an emergency order for protective services, the Court shall hold a hearing within 7 days or immediately, if necessary, pursuant to § 3909 of this title.

(f) If the person continues to need protective services after the order and renewal provided for in paragraph (b)(3) of this section has expired, such services can only be rendered pursuant to the appointment of a guardian.

(g) The petitioner or other witness supplying information shall be immune from civil liability for damages as a result of filing the petition if the petitioner acted in good faith and believed the person to be in need of such assistance.

(h) The authority of the police departments of this State to transfer a person to a mental health facility in cases of a psychiatric emergency are not affected by this chapter.

(i) Whenever the Court of Chancery finds, based upon a verified petition, affidavit or other evidentiary materials, that probable cause exists to believe that: (1) a person is impaired or incapacitated, as defined in § 3902(2) or (18) of this title; (2) that an emergency exists, as defined in § 3902 of this title; (3) that the emergency threatens serious harm to such person which harm may occur before a hearing on the petition for an emergency order may be held; (4) that the person is located in the building or premises described; and (5) that entry or access to said building or premises is being denied, the Court may issue an order for entry. The order for entry shall be signed by the Court, and shall contain the address of the building or premises where the person is located and the name of the person reported to be in need of protective services. The order for entry shall command that entry to the building or premises where the person is located be permitted for the purpose of seeing or interviewing, assessing and counseling the person named in the order. The order for entry shall permit entry on a day certain, which shall be set forth in the order. Nothing contained in this subsection shall in any way be construed to limit or restrict entry where the consent of the owner, lessor or lawful occupant is obtained. Whenever a member of the Court of Chancery is unavailable, any judge of the Superior Court may exercise the powers conferred by this subsection.

(63 Del. Laws, c. 384, § 1; 66 Del. Laws, c. 49, §§ 3, 4; 67 Del. Laws, c. 185, § 1; 70 Del. Laws, c. 186, § 1; 78 Del. Laws, c. 179, § 377; 79 Del. Laws, c. 438, § 1.)

### § 3909 Hearing on petition.

(a) The hearing on a petition for involuntary protective services shall be held under the following conditions:

(1) The person needing protective services shall be present unless the person has knowingly and voluntarily waived the right to be present or unless, because of physical or mental incapacity, the person cannot be present without endangering the person's welfare. Waiver or incapacity may not be presumed from nonappearance but shall be determined on the basis of factual information supplied to the Court by counsel or a caseworker.

(2) The person who is impaired has the right to counsel whether or not the person is present at the hearing. If the person is indigent or lacks the capacity to waive counsel, the Court shall appoint counsel. Where the person is indigent, the Court shall assess reasonable attorney's fees, such as are customarily charged by attorneys in this State for comparable services. To the extent that funding for this purpose is budgeted and available, such funds shall be drawn from the budget for adult protective services upon an order directing payment signed by the Court.

(3) The person who is impaired has the right at the expense of the person who is impaired or, if indigent, at the expense of the State, to secure an independent medical and/or psychological examination relevant to the issue involved in any hearing under this section, and to have presented a report of this independent evaluation or to have the Court hear the evaluator's personal testimony as to the condition

and circumstances of the person who is impaired as a part of the evidence presented in the behalf of the person who is impaired at the hearing. The person who is impaired shall have the right to have witnesses and evidence subpoenaed in the behalf of the person who is impaired and to have presented at the hearing such witnesses and evidence in support of the position of the person who is impaired as the person who is impaired desires.

(b) The Court shall record a statement of its findings in support of any order for emergency protective services.

(63 Del. Laws, c. 384, § 1; 70 Del. Laws, c. 186, § 1; 78 Del. Laws, c. 179, § 378.)

### **§ 3910 Duty to report.**

(a) Any person having reasonable cause to believe that an adult person is impaired or incapacitated as defined in § 3902 of this title and is in need of protective services as defined in § 3904 of this title shall report such information to the Department of Health and Social Services in the manner and format published by the Department.

(b) Upon receipt of a report, the Department shall make a prompt and thorough evaluation to determine whether the person named is in need of protective services and what services are needed, unless the Department determines that the report is frivolous or is without a factual basis. The evaluation may include a visit to the person and consultation with others having knowledge of the facts of the particular case. If outside professional assistance is required in order for a caseworker to complete an evaluation, the Department may contract with professionals in order to provide such services.

(c) If an employee of a financial institution who has direct contact with an elderly person has reasonable cause to believe that such elderly person who is an account holder may be subject to past, current or attempted financial exploitation, that employee shall follow any internal written policy, program, plan or procedure adopted by the financial institution for the purpose of establishing protocols for the reporting of past, current or attempted financial exploitation. Said policies, programs, plans or procedures shall require reporting to the Department by the earlier of the date on which the financial institution completes its investigation or 5 business days after the bank identifies a suspicious transaction pursuant to the policies, programs, plans or procedures adopted by the financial institution. Such policies, programs, plans or procedures may, in addition, allow reporting to agencies such as the Delaware Department of Justice or the Federal Trade Commission. In addition, said institution shall be empowered to place a hold on a proposed transaction for a period of 10 business days following the filing of the report. The proposed transaction can be held another 30 business days at the request of an investigating federal or state agency or if the financial institution has not heard from either the Department of Health and Social Services or the Delaware Department of Justice, or the financial institution may seek injunctive relief from a court of competent jurisdiction.

(d) Any person or entity participating in good faith in reporting or holding or not holding a transaction pursuant to this chapter shall have immunity from any liability, civil, administrative, or criminal that might otherwise exist as a result of reporting or holding or not holding the transaction.

The issuing officer shall determine the form of the bonds, including any interest coupons to be attached thereto, and shall fix the denominations of the bonds. Both principal of and interest on the bonds shall be payable at such place or places as DSHA may designate.

(b) Bonds shall be signed by manual or facsimile signature of the Housing Director, and the seal of DSHA or a facsimile thereof shall be affixed thereto or imprinted thereon. In case any person whose signature or facsimile thereof shall appear on any bonds or coupons shall cease to be the Housing Director before the delivery of such bonds, such signature or facsimile shall, nevertheless, be valid for all purposes, the same as if the Housing Director had remained in office until delivery.

(c) All bonds issued under this chapter shall have and are declared to have all the qualities and incidents of negotiable instruments under the Uniform Commercial Code.

(d) Such bonds and the income therefrom shall be exempt from all taxation by this State or by any political subdivision, agency or authority thereof.

(e) The bonds may be issued in coupon or registered form, or both, as the issuing officer may determine, and provision may be made for the registration of any coupon bond as to principal alone or as to both principal and interest and for the reconversion of any bonds registered both as to principal and interest into coupon bonds.

(f) The issuing officer may sell such bonds, either at public or private sale, in such manner and for such price as they may determine to be for the best interest of DSHA.

(g) The proceeds of such bonds, exclusive of accrued interest, shall be used solely for the purposes specified in the resolution of DSHA authorizing the issuance thereof or as set forth in the indenture securing their payment, which purposes may include redemption premiums, interest on bonds to be refunded to the redemption date or date of maturity thereof and all legal and other expenses of their issuance and shall be disbursed under such restrictions, if any, as said resolution or trust indenture may provide.

(h) The proceeds of such bonds shall at no time revert to the General Fund of the State Treasury but shall at all times be available to DSHA for the aforesaid purposes; provided however, that if the proceeds of the bonds of any issue shall exceed the amount required for the purpose or purposes for which such bonds are authorized to be issued, the surplus may be used for any purpose of DSHA authorized in this chapter or for the payment of the principal of or interest on its outstanding bonds.

(i) Prior to the preparation of definitive bonds, the issuing officer may issue temporary bonds, with or without coupons, exchangeable for definitive bonds upon the issuance of the latter. The issuing officer may also provide for the replacement of any bond which shall become mutilated or be destroyed or lost. Such bonds may be issued without any other proceedings or conditions which are specified and required by this chapter.

(71 Del. Laws, c. 357, § 6.)

### **§ 4018 Bonds as legal investments for institutions and fiduciaries and as legal deposit.**

The bonds issued under the authority of this chapter are declared to be securities in which all state and municipal officers and administrative departments, boards and commissions of the State, all banks, bankers, savings banks, trust companies, savings and loan associations, investment companies and other persons carrying on a banking business, all insurance companies, insurance associations and other persons carrying on an insurance business and all administrators, executors, guardians, trustees and other fiduciaries and all other persons whatsoever who now or may be authorized to invest in bonds or other obligations of this State, may properly and legally invest any funds, including capital belonging to them or within their control, and such bonds are declared securities which may properly and legally be deposited with and received by any state, county or municipal officer or agency of this State for any purpose for which the deposit of bonds or other obligations of this State is now or may hereafter be authorized by law.

(71 Del. Laws, c. 357, § 6.)

### **§ 4019 Credit of State not pledged.**

(a) Bonds issued under this chapter shall be payable exclusively from the revenues and other funds of DSHA and shall contain the following statement on their face:

"The State of Delaware is not obligated to pay the principal of this bond nor the interest thereon, nor are the faith and credit of the State pledged to the payment of the principal of, or interest on, this bond."

(b) The issuance of bonds under this chapter shall not directly or indirectly or contingently obligate the State to levy or pledge any form of taxation whatever therefor or to make any appropriation for their payment, and the bonds shall not constitute an indebtedness within the meaning of any constitutional or statutory debt limitation or restriction; provided also that § 4020 of this title, relative to the Capital Reserve Fund, shall not be deemed to constitute an indebtedness within the meaning of any constitutional or statutory debt limitation or restriction.

(71 Del. Laws, c. 357, § 6.)

### **§ 4020 Capital Reserve Fund.**

(a) DSHA shall create and establish a special fund to secure the bonds, herein referred to as Capital Reserve Fund, and shall pay into the Capital Reserve Fund:

- (1) Any moneys appropriated and made available by the State for the purposes of such fund;
- (2) Any proceeds of the sale of bonds, to the extent provided in the resolution of DSHA, authorizing the issuance thereof; and
- (3) Any other moneys which may be made available to DSHA for the purpose of such fund from any other source or sources.

All moneys held in the Capital Reserve Fund, except as hereinafter provided, shall be used solely for the payment of the principal of bonds of DSHA as the same mature, the redemption or purchase of bonds of DSHA, the payment of interest on such bonds of DSHA or the payment of any redemption premium required to be paid when such bonds are redeemed prior to the maturity. Moneys in the Capital Reserve Fund shall not be withdrawn therefrom at any time in such amount as would reduce the amount of the Fund to less than the maximum amount of principal and interest maturing and becoming due in any succeeding fiscal year on all bonds of DSHA then outstanding, except for the purpose of paying principal and interest on bonds of DSHA maturing and becoming due and for the payment of which other moneys of DSHA are not available. Any income or interest earned by, or increment to, the Capital Reserve Fund due to the investment thereof may be transferred by DSHA to any other fund of DSHA to the extent it does not reduce the amount of Capital Reserve Fund below the maximum amount of principal and interest maturing and becoming due in any succeeding fiscal year on all bonds of DSHA then outstanding.

(b) Except with respect to an issue, or portion of an issue, of bonds designated by resolution of DSHA as not being subject to the requirements and provisions of this section, DSHA shall not issue bonds at any time if the maximum amount of principal and interest maturing and becoming due in a succeeding fiscal year on the bonds then to be issued and on all other bonds of DSHA then outstanding will exceed the amount of the Capital Reserve Fund at the time of issuance unless DSHA, at the time of issuance of such bonds, shall deposit in the Fund from the proceeds of the bonds so to be issued, or otherwise, an amount which, together with the amount then in the Fund, will be not less than the maximum amount of principal and interest maturing and becoming due in any succeeding fiscal year on the bonds then to be issued and on all other bonds of DSHA then outstanding.

(c) To assure the continued operation and solvency of DSHA for the carrying out of the public purposes of this chapter, provision is made for the accumulation in the Capital Reserve Fund of an amount equal to the maximum amount of principal and interest maturing and becoming due in any fiscal year on all bonds of DSHA then outstanding. In order to assure further such maintenance of the Capital Reserve Fund, there may be annually appropriated and paid to DSHA for deposit in the Capital Reserve Fund such sum, if any, as shall be certified by the Housing Director to the Governor and Director of the Office of Management and Budget, as necessary to restore the Capital Reserve Fund to an amount equal to the maximum amount of principal and interest maturing and becoming due in any fiscal year on the bonds of DSHA then outstanding. In any case where a deficiency occurs in the Capital Reserve Fund, the Housing Director shall promptly make and deliver to the Governor and Director of the Office of Management and Budget a certificate stating the amount required to restore the Capital Reserve Fund, and the Governor shall, as soon as practicable during the current fiscal year, request an appropriation of such amount, and the amount so requested may be appropriated and paid to DSHA for deposit into the Capital Reserve Fund.

(d) In computing the amount of the Capital Reserve Fund for the purposes of this section, securities in which all or a portion of the fund is invested shall be valued in the manner provided in the resolution authorizing the issuance of the trust indenture securing such bonds.

(e) Calculations of the amount of principal and interest maturing and becoming due in any succeeding fiscal year shall be based upon the assumption that bonds of DSHA will, after said date of computation, cease to be outstanding by reason of the payment of such bonds at their respective maturities or the payment of all moneys required to be paid into a sinking fund on account of such bonds as may be required by the terms of any resolution or indenture pursuant to which such bonds have been issued and the application of such sinking fund to the retirement of bonds in accordance with their terms.

(f) For the purposes of this section, the term "bonds" shall mean all obligations of DSHA bearing a maturity date more than 2 years after the date thereof, except any bonds, notes or other obligations of DSHA which are designated by resolution of DSHA prior to the issuance thereof as being not subject to this section.

(71 Del. Laws, c. 357, § 6; 75 Del. Laws, c. 88, § 21(14).)

- (16) Vest in an obligee, in the event of a default by DSHA, the right to cure any such default and to advance any moneys necessary for such purpose and covenant that the moneys so advanced become an additional obligation of DSHA with such interest, security and priority as may be provided in any mortgage, lease or contract;
- (17) Covenant and prescribe as to the events of default and terms and conditions upon which any or all of its bonds shall become or may be declared due before maturity and as to the terms and conditions upon which such declaration and its consequences may be waived;
- (18) Covenant as to the rights, liabilities, powers and duties arising upon the breach by it of any covenant, condition or obligation;
- (19) Covenant to surrender possession of a project or projects or parts thereof upon the happening of an event of default and vest in an obligee the right, upon such default and without judicial proceedings, to take possession and use, operate, manage and control such projects or any parts thereof and to collect and receive rents, fees and revenues arising therefrom in the same manner as DSHA itself might do and to dispose of the moneys collected in accordance with the agreement of such obligee with DSHA;
- (20) Vest in a trustee or trustees the right to enforce any covenant to secure or pay the bonds or otherwise relating to such bonds, provide for the powers and duties of such trustee or trustees, limit the liabilities thereof and provide the terms and conditions upon which the trustee or trustees or the holders of bonds or any proportion of them may enforce any such covenant;
- (21) Vest in a government or in a trustee the right, upon the happening of an event of default, to foreclose the mortgage securing any bonds held by such government, through judicial proceedings or through the exercise of a power of sale without judicial proceedings;
- (22) Vest in other obligees the right, upon the happening of an event of default, to foreclose any mortgage through judicial proceedings;
- (23) Vest in any obligee the right to foreclose any such mortgage as to all or such part or parts of the property covered thereby as such obligee shall elect; the institution, prosecution and conclusion of any such foreclosure proceedings or the sale of any such parts of the mortgaged property shall not affect in any manner or to any extent the lien of the mortgage on the parts of the mortgaged property not included in such proceedings or not sold as aforesaid;
- (24) Make covenants other than, and in addition to, the covenants expressly authorized in this section of like or different character and execute all instruments necessary or convenient in the exercise of the powers granted in this chapter or in the performance of its covenants or duties, which may contain such covenants and provisions, in addition to those above specified, as the government or any purchaser of the bonds of DSHA may require;
- (25) Make such covenants and do any and all such acts and things as may be necessary or convenient or desirable in order to secure its bonds or, in the absolute discretion of DSHA, tend to make the bonds more marketable, notwithstanding that such covenants, acts or things may not be enumerated in this section.

(71 Del. Laws, c. 357, § 6.)

### **§ 4022 Trust indenture.**

(a) At the discretion of the issuing officer each and any issue of such bonds may be secured by a trust indenture by and between the issuing officer and a corporate trustee, which may be any trust company or bank having the powers of a trust company within or without this State.

(b) Such trust indenture may pledge or assign the revenues of DSHA but shall not create a security interest in or convey or mortgage any real property owned, operated or maintained by DSHA. Either the resolution providing for the issuance of the bonds or such trust indenture may contain such provisions specifying, defining, protecting and enforcing the rights and not in violation of law, include covenants setting forth the duties of DSHA in relation to the acquisition, construction, improvement, maintenance, operation, repair and insurance of any facilities or additions thereto, and the custody, safeguarding and application of all moneys.

(c) It shall be lawful for any bank or trust company incorporated under the laws of this State to act as such depository and to furnish such indenture bonds or to pledge such securities as may be required by DSHA. Such indenture may set forth the rights and remedies of the bondholders and of the trustee and may restrict the individual right of action of bondholders as is customary in trust indentures securing bonds and debentures of corporation.

(d) In addition to the foregoing, such trust indenture may contain such other provisions as the issuing officer may deem reasonable and proper for the security of the bondholders. All expenses incurred in carrying out the provisions of such trust indenture may be treated as a part of the cost of maintenance, operation and repairs of any facility to which such indenture is related or may be paid out of the revenues of DSHA.

(71 Del. Laws, c. 357, § 6.)

### **§ 4023 Remedies of bondholders and trustees.**

(a) Any holder of bonds issued under this chapter or any of the coupons attached thereto, and the trustee under the trust indenture, if any, except to the extent the rights given by this chapter may be restricted by resolution passed before the issuance of the bonds or by the trust indenture, may either at law or in equity by suit, action, mandamus or other proceedings protect and enforce any and all rights under the laws of the United States or of this State or granted under this chapter or under such resolution or trust indenture, and may enforce and compel performance of all duties required by this chapter, or by such resolution or trust indenture, to be performed by DSHA or any officer thereof, including the fixing, charging and collecting of fares or charges for the use of any facility operated by DSHA.

(b) Such resolution or trust indenture may contain provisions under which any holder of such bonds or the trustee under such trust indenture shall be entitled to the appointment of a receiver in the event of a default, and any receiver so appointed shall have and be entitled to exercise all the rights and powers of DSHA with respect to the facilities operated or maintained by DSHA and all of the appropriate rights and powers of a receiver in equity.

(71 Del. Laws, c. 357, § 6.)

### **§ 4024 Moneys as trust funds.**

All moneys received pursuant to the authority of this chapter, whether as proceeds from the sale of bonds or grants or other contributions from any person corporate or otherwise, or government, or as fees and revenues shall be deemed to be trust funds, to be held and applied solely as provided in this chapter. The issuing officer shall, in the resolution authorizing the issuance of bonds or in the trust indenture, provide for the payment of the proceeds of the sale of the bonds and the fees and revenues to be received, to any officer, agency, bank or trust company who shall act as trustee of such funds, and shall hold and apply the same to the purposes of this chapter, subject to such regulations as this chapter and such resolution or trust indenture may provide.

(71 Del. Laws, c. 357, § 6.)

### **§ 4025 Subordination of mortgage to agreement with government.**

DSHA may agree in any mortgage made by it that such mortgage shall be subordinate to a contract for the supervision by a government of the operation and maintenance of the mortgaged property and the construction of improvements thereon. In such event, any purchase or purchasers at a sale of the property of DSHA pursuant to a foreclosure of such mortgage or any other remedy in connection therewith shall obtain title subject to such contract.

(71 Del. Laws, c. 357, § 6.)

### **§ 4026 Powers relative to purchase of and sale to financial institutions of mortgage loans; loans to mortgage lenders.**

DSHA shall have all the powers necessary or convenient to carry out and effectuate the purposes of this chapter, including the following powers in addition to others herein granted:

- (1) To invest in, purchase or to make commitments to purchase, and take assignments from mortgage lenders of notes and mortgages evidencing loans for the construction, rehabilitation, purchase, leasing or refinancing of housing for persons and families of low- and moderate-income in this State;
- (2) To make loans to mortgage lenders upon terms and conditions requiring the proceeds thereof to be used by such mortgage lenders for the making of new residential mortgages, upon the terms set forth in § 4027 of this title;

(3) To make commitments to purchase, and to purchase, service and sell mortgages insured by any department, agency or instrumentality of the United States, and to make loans directly upon the security of any such mortgage; provided, that the underlying mortgage loans shall have been made and shall be continued to be used solely to finance or refinance the construction, rehabilitation, purchase or leasing of residential housing for persons and families of low- and moderate-income in this State;

(4) To sell, at public or private sale, with or without public bidding, any mortgage or other obligation held by DSHA;

(5) To enter into mortgage insurance agreements with mortgage lenders in connection with the lending of money by such institutions to persons and families of low- or moderate-income for the purchase of housing;

(6) Subject to any agreement with bondholders or noteholders, to collect, enforce the collection of, and foreclose on any collateral securing its loans to mortgage lenders and acquire or take possession of such collateral and sell the same at public or private sale, with or without public bidding, and otherwise deal with such collateral as may be necessary to protect the interest of DSHA therein.

(71 Del. Laws, c. 357, § 6.)

#### **§ 4027 Terms and conditions of the purchase and sale to financial institutions of mortgage loans; loans to mortgage lenders.**

(a) DSHA shall from time to time adopt, modify, amend or repeal rules and regulations governing the making of such loans to mortgage lenders and the application of the proceeds thereof.

Such rules and regulations shall be designed to effectuate the general purposes of this chapter and the following specific objectives:

1. The expansion of the supply of funds in the State available for new residential mortgages;
2. The provision of the additional housing needed to remedy the shortage of adequate housing in the State and eliminate the existence of a large number of substandard dwellings; and
3. The effective participation by mortgage lenders in the program authorized by this chapter and the restriction of the financial return and benefit thereto from such program to that necessary and reasonable to induce such participation.

(b) All new residential mortgages made as required by this section shall comply with the applicable provisions of the laws of the State, and, where federal law or the law of another jurisdiction governs the affairs of the mortgage lender, shall comply with applicable provisions of such law.

(71 Del. Laws, c. 357, § 6.)

#### **§ 4028 Notification of application for Low Income Housing Tax Credit Program.**

(a) Whenever a Low Income Housing Tax Credit Program application is submitted to the Delaware State Housing Authority, the Housing Director shall notify by certified and regular mail any state senators and representatives in whose districts any development project will be located. In addition, the Housing Director shall so notify the chief executive officer of any local government in whose jurisdiction any development project will be located.

(b) Whenever a preliminary ranking of Low Income Housing Tax Credit Program applications is made by the Delaware State Housing Authority, the Housing Director shall notify by certified and regular mail any state senators and representatives in whose districts any development project will be located. In addition, the Housing Director shall so notify the chief executive officer of any local government in whose jurisdiction any development project will be located.

(72 Del. Laws, c. 394, § 1.)

### **Subchapter III**

#### **Housing Development Fund and Financing of Housing Developments**

#### **§ 4030 Housing Development Fund.**

(a) The "Housing Development Fund" shall be administered by the Housing Director as a revolving fund for carrying out the purposes of this chapter. DHSA shall report to the General Assembly on an annual basis any private contributions by gift or bequest received and/or deposited in the Housing Development Fund. Sums received from the General Fund, from dedicated sources of revenue, from private contributions by gift or bequest, and in repayment of loans made under this chapter shall be deposited in such Fund. DSHA, with the approval of the Secretary of Finance and the Council on Housing, may borrow from the Fund for any lawful purpose with respect to any housing program or financing with respect thereto, undertaken by DSHA, or for the purpose of investing borrowed funds in accordance with § 4013(17) of this title; any such borrowing to be upon such terms and conditions, and with such security, as the Secretary of Finance and the State's Council on Housing shall direct.

(b) In addition to any further appropriations which may not be reflected in subsection (a) of this section, and in addition to accrued interest on loans, the Housing Development Fund shall retain any interest or other earnings which accrue on uncommitted balances remaining in the Fund undisbursed, and such accrued interest shall not be deposited in the General Fund.

(c)(1) DSHA is hereby authorized to use up to \$750,000 of the interest income from the Housing Development Fund for the support of administrative functions associated with that Fund.

(2) DSHA may use appropriated special funds, less the Housing Development Fund line and \$750,000 given above, as discretionary operating expenses. Discretionary operating expenses include personnel costs, travel, contractual services, supplies and materials, and

other normal business expenses of DSHA which are not required to be made pursuant to bond resolutions, trust indentures, or agreements with the federal Department of Housing and Urban Development, or otherwise required by operating agreements of DSHA.

(3) Nothing herein shall be construed to require any prior approval for DSHA to meet its previously contracted obligations, including debt service requirements under bond resolution or trust indenture of DSHA, nor shall anything contained herein require any such prior approval for any expenditure by DSHA under any such bond resolution or trust indenture or under any agreement with the Federal Department of Housing and Urban Development.

(d) Any other law to the contrary notwithstanding, programs for the disbursement of funds from the Housing Development Fund, and disbursements pursuant to such programs, may include grants as well as loans, including grants to DSHA; provided however, that any program including grants shall not cause the Fund to lose entirely its character as a revolving fund.

(e) In allocating the resources of the Housing Development Fund over time, any program mix or targeting of funds shall account for the demographics of the population in need of housing, should balance the programs appropriately between rental assistance and ownership, and should apportion the available resources statewide according to local need.

(f) When any loan or grant application is submitted to the Housing Development Fund, the Housing Director of the Delaware State Housing Authority shall notify by certified and regular mail any state senators and representatives in whose districts any development project funded by said loan or grant will be located. In addition, the Housing Director shall so notify the chief executive officer of any local government in whose jurisdiction any development project will be located.

(g) When any loan or grant is awarded by the Housing Development Fund, the Housing Director of the Delaware State Housing Authority shall notify by certified and regular mail any state senators and representatives in whose districts any development project funded by said loan or grant will be located. In addition, the Housing Director shall so notify the chief executive officer of any local government in whose jurisdiction any development project will be located.

(71 Del. Laws, c. 357, § 6; 72 Del. Laws, c. 394, § 2; 73 Del. Laws, c. 307, § 1; 74 Del. Laws, c. 405, §§ 1, 2; 75 Del. Laws, c. 350, § 117; 78 Del. Laws, c. 290, § 89.)

### **§ 4031 Powers relative to making mortgage loans and temporary construction loans to housing sponsors and persons and families of low- and moderate-income.**

(a) DSHA shall have all the powers necessary or convenient to carry out and effectuate the purpose and provisions of this chapter, including the following powers in addition to others herein granted:

(1) To make and undertake commitments to make mortgage loans, including, without limitation, federally insured mortgage loans and to make temporary loans and advances in anticipation of permanent loans to housing sponsors to finance the construction or rehabilitation of housing designed and planned for persons and families of low- and moderate-income upon the terms and conditions set forth in § 4033 of this title;

(2) To make and undertake commitments to make first mortgage loans to persons of low- or moderate-income who may purchase residential housing, including, without limitation, persons and families of low- and moderate-income who are eligible, or potentially eligible, for federally insured mortgage loans or federal mortgage loans. Such loans shall be made only after a determination by DSHA that long-term first mortgage loans are not otherwise available, wholly or in part, from private lenders upon reasonably equivalent terms and conditions;

(3) To make and publish rules and regulations respecting the grant of mortgage loans pursuant to this section, the regulations of borrowers, the admission of housing developments pursuant to this section, and the construction of ancillary commercial facilities;

(4) To enter into agreements and contracts with housing sponsors under this section;

(5) To institute any action or proceeding against any housing sponsor receiving a loan under this chapter, or owning any housing development hereunder in any court of competent jurisdiction in order to enforce this chapter, or to foreclose its mortgage, or to protect the public interest, persons and families of low- and moderate-income, stockholders or creditors of such sponsor. In connection with any such action or proceeding it may apply for the appointment of a receiver to take over, manage, operate and maintain the affairs of such housing sponsor and DSHA, through such agent as it shall designate, is hereby authorized to accept appointment as receiver of any such sponsor when so appointed by a court of competent jurisdiction.

(b) The reorganization of any housing sponsor shall be subject to the supervision and control of DSHA, and no such reorganization shall be had without the consent of DSHA. Upon any such reorganization the amount of capitalization, including therein all stocks, income debentures and bonds and other evidence of indebtedness shall be such as is authorized by DSHA, but not in excess of the fair value of the property received.

(c) In any foreclosure action involving a housing sponsor other than a foreclosure action instituted by DSHA, the municipality in which any tax exemption or abatement is provided, such housing sponsor and DSHA shall, in addition to other necessary parties, be made parties defendant. DSHA and the municipality shall take all steps in such action necessary to protect the interest of the public therein, and no costs shall be awarded against DSHA or the municipality.

(d) Subject to the terms of any applicable agreement, contract or other instrument entered into or obtained pursuant to this chapter, judgment of foreclosure shall not be entered against a housing sponsor unless the court to which application therefor is made shall be

satisfied that the interest of the lienholders or holders cannot be adequately secured or safeguarded except by the sale of the property; and in such proceeding the court shall be authorized to make an order increasing the rental or carrying charges to be charged for the housing accommodations in the housing development involved in such foreclosure, or appoint a member of DSHA or any officer of the municipality in which any tax exemption or abatement with respect to the development is provided, as a receiver of the property, or grant such other and further relief as may be reasonable and proper; and in the event of a foreclosure or other judicial sale, the property shall be sold only to a housing sponsor which will manage, operate and maintain the housing development subject to this chapter, unless the court shall find that the interest and principal on the obligations secured by the lien, which is the subject of foreclosure, cannot be earned under the limitations imposed by this chapter, and that the proceeding was brought in good faith, in which event the property may be sold free of limitations imposed by this chapter or subject to such limitations as the court may deem advisable to protect the public interest.

(e) In the event of a judgment against any housing sponsor in any action not pertaining to the foreclosure of a mortgage, there shall be no sale of any of the real property included in any housing development hereunder of such housing sponsor except upon 60 days' written notice to DSHA. Upon receipt of such notice DSHA shall take such steps as in its judgment may be necessary to protect the rights of all parties.

(71 Del. Laws, c. 357, § 6.)

### **§ 4032 Power to supervise housing sponsors.**

DSHA shall have the power to supervise housing sponsors, including limited profit housing sponsors and their real and personal property, in the following respects:

(1) DSHA may prescribe uniform systems of accounts and records for housing sponsors and may require them to make reports and give answers to specific questions on such forms and at such times as may be necessary for the purposes of this chapter.

(2) Through its agents or employees, DSHA may enter upon and inspect the lands, buildings and equipment of a housing sponsor, including all parts thereof, and may examine all books and records with reference to capital structure, income, expenditures and other payments of a housing sponsor.

(3) DSHA may supervise the operation and maintenance of any housing development and may order such repairs as may be necessary to protect the public interest or the health, welfare or safety of the housing development occupants.

(4) DSHA may fix, and alter from time to time, a schedule of rents and charges for any housing development.

(5) DSHA may determine, for any housing development, standards for tenant selection by a housing sponsor.

(6) DSHA may require any housing sponsor to pay to DSHA such fees as it may prescribe in connection with the examination, inspection, supervision, auditing or other regulations of the housing sponsor.

(7) DSHA may order any housing sponsor to do, or to refrain from doing, such things as may be necessary to comply with the provisions of the law, the rules and regulations of DSHA, and the terms of any contract or agreement to which the housing sponsor may be a party.

(8) DSHA may regulate the retirement of any capital investment or the redemption of stock where any such retirement or redemption, when added to any dividend or other distribution, shall exceed in any 1 fiscal year 10% of the original face amount of any investment by any housing sponsor.

(9) DSHA may prescribe regulations specifying the categories of cost which shall be allowable in the construction or rehabilitation of a housing development. DSHA shall require any housing sponsor to certify the actual housing development costs upon completion of the housing development, subject to audit and determination by DSHA. Notwithstanding this subdivision, DSHA may accept, in lieu of any certification of housing development costs, as provided herein, such other assurances of the said housing development costs, in any form or manner whatsoever, as will enable DSHA to determine with reasonable accuracy the amount of said housing development costs.

(71 Del. Laws, c. 357, § 6.)

### **§ 4033 Loan terms and conditions.**

Loans made by DSHA shall be subject to the following terms and conditions:

(1) No application for a loan for a housing development shall be processed unless the applicant is a housing sponsor as defined in § 4001 of this title.

(2) The ratio of loan to total housing development cost, and the amortization period of loans made under this chapter which are insured by FHA, shall be governed by the FHA mortgage insurance commitment for each housing development but in no event shall such amortization period exceed 50 years.

In the case of a mortgage loan not insured by FHA, the amount of the loan to: (i) limited profit housing sponsors shall not exceed 95% of the total housing development costs, as determined by DSHA, and (ii) other housing sponsors shall not exceed 100% of the total development cost, as determined by DSHA, and the amortization period of such loans shall be determined in accordance with regulations formulated and published by DSHA; provided however, that any such loan shall be subject to an agreement between DSHA and any such housing sponsor prohibiting the transfer of ownership or management responsibilities by such housing sponsor at any time prior to repayment of at least 5% of the original loan, unless the transfer of ownership or management responsibilities has been ordered by a court of competent jurisdiction to a different housing sponsor.

(3) A loan made hereunder may be prepaid to maturity after a period of 15 years with the consent of DSHA, provided DSHA finds that the prepayment of the loan will not result in a material escalation of rents charged to persons and families of low- and moderate-income in the housing development.

(4) DSHA shall have authority to set from time to time the interest rates at which it shall make loans and commitments therefor. Such interest rates shall be established by DSHA at the lowest level consistent with DSHA's cost of operation, and its responsibilities to the holders of its bonds, bond anticipation notes and other obligations. In addition to such interest charges, DSHA may make and collect such fees and charges, including, but not limited to, reimbursement of DSHA's financing costs, service charges, insurance premiums and mortgage insurance premiums, as DSHA determines to be reasonable.

(5) In considering any application for a loan, DSHA shall give first priority to applications for housing developments which will be well-planned, well-designed and which will be a part of or constructed in connection with a major redevelopment program; and shall also give consideration to:

- a. The comparative need for housing for persons of low-and moderate-income in the area to be served by the proposed development;
- b. The ability of the applicant to construct, operate, manage and maintain the proposed housing development;
- c. The existence of zoning or other regulations to protect adequately the proposed housing development against detrimental future uses which could cause undue depreciation in the value of the development; and
- d. The availability, where reasonably possible, of adequate parks, recreational areas, utilities, schools, transportation, parking, shopping facilities, churches and other community facilities.

(6) Each mortgage loan shall be evidenced by a mortgage note or bond and by a mortgage which shall be a lien on the housing development and which shall contain such terms and provisions and be in a form approved by DSHA. DSHA shall require the housing sponsor receiving a loan or its contractor to post performance and surety bonds in amounts related to the housing development cost as established by regulation and/or to execute such other assurances and guarantees as DSHA may deem necessary. It may also require the housing sponsors or the contractors to also execute such other assurances and guarantees as DSHA may deem necessary.

(7) Each loan shall be subject to an agreement between DSHA and the housing sponsor which will subject said sponsor and its principals or stockholders to limitations established by DSHA as to rentals and other charges, builders' and developers' profits and fees, and the disposition of its property and franchises to the extent more restrictive limitations are not provided by the law under which the borrower is incorporated or organized.

(8) As a condition of the loan, DSHA shall have the power at all times during the construction and rehabilitation of a housing development by a housing sponsor and the operation thereof:

- a. To enter upon and inspect any housing development, including all parts thereof, for the purpose of investigating the physical and financial condition thereof, and its construction, rehabilitation, operation, management and maintenance, and to examine all books and records with respect to capitalization, income and other matters relating thereto and to make such charges as may be required to cover the cost of such inspections and examinations;
- b. To order such alterations, changes or repairs as may be necessary to protect the security of its investment in a housing development or the health, safety, and welfare of the occupants thereof;
- c. To order any managing agent, housing development manager or owner of a housing development to do such acts as may be necessary to comply with the provisions of all applicable laws or ordinances of any agreement concerning the said development or to refrain from doing any acts in violation thereof and, in this regard, DSHA shall be a proper party to file a complaint and to prosecute thereon for any violations of laws or ordinances as set forth herein.

(9) A limited profit housing sponsor may not make distributions in any 1 year with respect to a housing development financed by DSHA in excess of 10% of a limited profit housing sponsor's equity in such development. Such sponsor's equity in a housing development shall consist of the difference between the mortgage and the total housing development cost. With respect to every housing development, DSHA shall, pursuant to regulations adopted by it, establish such sponsor's equity at the time of the making of the final mortgage advance, and for purposes of this subdivision, that figure shall remain constant during the life of DSHA's mortgage on such development.

(10) Whenever any housing sponsor accumulates earned surplus, in addition to reserves for maintenance, operation and replacement, as DSHA may require in excess of 10% of the initial annual rent roll for the housing development, rents in the housing development shall be reduced to the extent necessary to lower the earned surplus accumulation to such 10% figure in the following fiscal year. Every 10 years the housing sponsor may seek the approval of DSHA for increases in said reserves. To the extent warranted DSHA may grant such approval, if in its judgment there have been increased price levels or unusual maintenance and repayment requirements.

(71 Del. Laws, c. 357, § 6.)

### **§ 4034 Procedure prior to financing of housing developments undertaken by housing sponsors.**

Notwithstanding any other provisions of this chapter, DSHA is not empowered to finance any housing development undertaken by a housing sponsor pursuant to §§ 4031, 4032 and 4033 of this title, unless prior to the financing of any housing development hereunder DSHA finds:

- (1) That there exists a shortage of decent, safe and sanitary housing at rentals or prices which persons and families of low-income or moderate-income can afford within the general housing market area to be served by the proposed housing development;
  - (2) That private enterprise and investment have been unable, without assistance, to provide the needed decent, safe and sanitary housing at rentals or prices which persons or families of low- and moderate-income can afford or to provide sufficient mortgage financing for residential housing for occupancy by such persons or families;
  - (3) That the housing sponsor or limited-profit housing sponsor or sponsors undertaking the proposed housing development in this State will supply well-planned, well-designed housing for persons or families of low- and moderate-income and that such sponsors are financially responsible;
  - (4) That the housing development to be assisted pursuant to this chapter will be of public use and will provide a public benefit;
  - (5) That the housing development will be undertaken within the authority conferred by this chapter upon DSHA and the housing sponsor or sponsors.

### § 4502 Declaration of necessity.

It is found and declared that there exist in localities throughout the State slum and blighted areas (as defined in § 4501 of this title) which constitute a serious and growing menace, injurious and inimical to the public health, safety, morals and welfare of the residents of the State; that the existence of such areas contributes substantially and increasingly to the spread of disease and crime, necessitating excessive and disproportionate expenditures of public funds for the preservation of the public health and safety, for crime prevention, correction, prosecution, punishment and the treatment of juvenile delinquency and for the maintenance of adequate police, fire and accident protection and other public services and facilities, constitutes an economic and social liability, substantially impairs or arrests the sound growth of communities and retards the provision of housing accommodations; that this menace is beyond remedy and control solely by regulatory process in the exercise of the police power and cannot be dealt with effectively by the ordinary operations of private enterprise without the aids provided in this chapter; that the elimination of slum conditions or conditions of blight, the acquisition and preparation of land in or necessary to the development of slum or blighted areas and its sale or lease for development or redevelopment in accordance with general plans and redevelopment plans of communities and any assistance which may be given by any state public body in connection therewith are public uses and purposes for which public money may be expended and private property acquired; and that the necessity in the public interest for the provisions enacted in this chapter is declared as a matter of legislative determination.

It is found and declared that:

- (1) There exists in communities of this State blighted and deteriorated areas which constitute a serious and growing menace, injurious to the public health, safety, morals and welfare of the residents of the State, and the findings and declarations made in this section prior to December 27, 1965, are affirmed and restated,
- (2) Certain blighted, deteriorated, or deteriorating areas, or portions thereof, may require acquisition and clearance, as provided in this chapter, since the prevailing condition of decay may make impracticable the reclamation of the area by conservation or

rehabilitation, but other areas or portions thereof may, through the means provided in this chapter, be susceptible of conservation or rehabilitation in such a manner that the conditions and evils enumerated in this section may be eliminated, remedied or prevented, and to the extent feasible, salvable blighted, deteriorated, or deteriorating areas should be conserved and rehabilitated through voluntary action and the regulatory process, and

(3) All powers conferred by this chapter, as amended, are for public uses and purposes for which public money may be expended and such other powers exercised, and the necessity in the public interest for the provisions of this chapter is declared as a matter of legislative determination.

A municipality or community to the greatest extent it determines to be feasible in carrying out the provisions of this chapter shall afford maximum opportunity, consistent with the sound needs of the municipality or community as a whole, to the conservation or rehabilitation or redevelopment of areas by private enterprise.

(48 Del. Laws, c. 345, § 2; 31 Del. C. 1953, § 4502; 55 Del. Laws, c. 292, § 7.)

### **§ 4503 Creation of slum clearance and redevelopment authority.**

There is created in each community (as defined in § 4501 of this title) a public body corporate and politic, to be known as the "slum clearance and redevelopment authority" of the community. Such authority shall not transact any business or exercise its powers under this chapter until or unless the governing body shall approve (by resolution, as provided in this chapter) the exercise in such community of the powers, functions and duties of an authority under this chapter. If it deems such action to be in the public interest, the governing body may, instead of such resolution, adopt a resolution approving the exercise of such powers, functions and duties by the community itself or by a housing authority, and in such event, the community or housing authority, as the case may be, shall be vested with all the powers, functions, rights, duties and privileges of a slum clearance and redevelopment authority under this chapter.

(48 Del. Laws, c. 345, § 4; 31 Del. C. 1953, § 4503.)

### **§ 4504 Resolutions.**

The governing body of a community shall not adopt a resolution pursuant to § 4503 of this title unless it finds that:

- (1) One or more slum or blighted areas (as defined in § 4501 of this title) exist in such community; and
- (2) The redevelopment of such area or areas is necessary in the interest of the public health, safety, morals or welfare of the residents of such community.

(48 Del. Laws, c. 345, § 4; 31 Del. C. 1953, § 4504.)

### **§ 4505 Regional slum clearance and redevelopment authority.**

(48 Del. Laws, c. 345, § 4; 31 Del. C. 1953, § 4506.)

### **§ 4507 Board of commissioners; number; tenure of office; vacancies.**

When the governing body of a municipality adopts a resolution as provided in this chapter, it shall promptly notify the mayor of such adoption. If the resolution adopted is one approving the exercise of powers hereunder by a slum clearance and redevelopment authority, the mayor, by and with the advice and consent of the governing body, shall appoint a board of commissioners of the authority created for such municipality which shall consist of 5 commissioners, and when the governing body of a county adopts such a resolution, the body shall appoint a board of commissioners of the authority created for such county which shall consist of 5 commissioners. The commissioners who are first appointed pursuant to this chapter shall be designated to serve for terms of 1, 2, 3, 4 and 5 years, respectively, from the date of their appointment, but thereafter commissioners shall be appointed as aforesaid for a term of office of 5 years, except that all vacancies shall be filled for the unexpired term.

(48 Del. Laws, c. 345, § 4; 31 Del. C. 1953, § 4507.)

### **§ 4508 Appointment of commissioners for each additional community; tenure.**

If a regional authority is created as provided in this chapter, 1 person shall be appointed as a commissioner of such authority for each community for which such authority is created. When the area of operation of a regional authority is increased to include an additional

community or communities as provided in this chapter, 1 additional person shall be appointed as a commissioner of such authority for each such additional community. Each such commissioner appointed for a municipality shall be appointed by the mayor thereof, by and with the advice and consent of the governing body, and each such commissioner appointed for a county shall be appointed by the governing body thereof. The first appointment of commissioners of a regional authority may be made at or after the time of the adoption of the resolution declaring the need for such authority or declaring the need for the inclusion of such community in the area of operation of such authority. The commissioners of a regional authority and their successors shall be appointed as aforesaid for terms of 5 years except that all vacancies shall be filled for the unexpired terms.

(48 Del. Laws, c. 345, § 4; 31 Del. C. 1953, § 4508.)

### **§ 4509 Odd and even number of communities; tenure; certificate of appointment as evidence.**

If the area of operation of a regional authority consists at any time of an even number of communities, the commissioners of the regional authority already appointed in the manner described in this chapter shall appoint 1 additional commissioner whose term of office shall be as provided for a commissioner of a regional authority, except that such term shall end at any earlier time that the area of operation of the regional authority shall be changed to consist of an odd number of communities. The commissioners of such authority already appointed in the manner described in this chapter shall likewise appoint each person to succeed such additional commissioner. The term of office of such person begins during the terms of office of the commissioners appointing such person. A certificate of the appointment of any such additional commissioner of such regional authority shall be filed with the other records of the regional authority and shall be conclusive evidence of the due and proper appointment of such additional commissioner.

(48 Del. Laws, c. 345, § 4; 31 Del. C. 1953, § 4509; 70 Del. Laws, c. 186, § 1.)

### **§ 4510 Compensation; traveling expenses; certificate of appointment filed with municipal or county clerk; evidence.**

A commissioner of an authority shall receive no compensation for services, but shall be entitled to the necessary expenses, including traveling expenses, incurred in the discharge of the commissioner's duties. Each commissioner shall hold office until a successor has been appointed and has qualified. A certificate of the appointment or reappointment of any commissioner shall be filed with the municipal or county clerk, as the case may be, and such certificate shall be conclusive evidence of the due and proper appointment of such commissioner.

A majority of the commissioners shall constitute a quorum of such board for the purpose of conducting business and exercising the powers of the authority and for all other purposes. Action may be taken by the board upon a vote of a majority of the commissioners present, unless in any case the bylaws of the authority shall require a larger number. Meetings of the board of an authority may be held anywhere within the perimeter boundaries of the area of operation of the authority. Any persons may be appointed as commissioners of the authority if they reside within such area and are otherwise eligible for such appointments under this chapter.

An authority may delegate to 1 or more of its agents or employees such powers or duties as it may deem proper.

(48 Del. Laws, c. 345, § 4; 31 Del. C. 1953, § 4512; 70 Del. Laws, c. 186, § 1.)

In the event of the removal of any commissioner, a record of the proceedings, together with the charges and findings thereon, shall be filed in the office of the municipal or county clerk, as the case may be.

(48 Del. Laws, c. 345, § 4; 31 Del. C. 1953, § 4513; 70 Del. Laws, c. 186, § 1.)

Each such resolution shall be deemed sufficient if it authorizes the exercise of powers under this chapter by the authority or other public body and finds in

substantially the terms provided in § 4504 of this title (no further detail being necessary) that the conditions therein enumerated exist. A copy of such resolution duly certified by the municipal or county clerk, as the case may be, shall be admissible in evidence in any suit, action or proceeding.

No commissioner or employee of an authority shall voluntarily acquire any interest, direct or indirect, in any redevelopment project or in any property included or planned by the authority to be included in any such project, or in any contract or proposed contract in connection with any such project. Where the acquisition is not voluntary, such commissioner or employee shall immediately disclose such interest in writing to the authority and such disclosure shall be entered upon the minutes of the authority. b. Plans for the enforcement of state and local laws, codes and regulations relating to the use of land and the use and occupancy of buildings and improvements and to the compulsory repair, rehabilitation, demolition, or removal of buildings and improvements, and

c. Appraisals, title searches, surveys, studies and other plans and work necessary to prepare for the undertaking of urban renewal projects and related activities; and to develop, test and report methods and techniques, and carry out demonstrations and activities for the prevention and the elimination of slums and urban blight, and to apply for, accept and utilize grants of funds from the federal government for such purposes;

(13) To engage in rehabilitation and conservation activities as defined in § 4501 of this title, as amended;

(14) To make such expenditures as may be necessary to carry out the purposes of this chapter; and to make expenditures from funds obtained from the federal government without regard to any other laws pertaining to the making and approval of appropriations and expenditures;

(15) To exercise all or any part or combination of powers herein granted.

(48 Del. Laws, c. 345, § 5; 31 Del. C. 1953, § 4516; 55 Del. Laws, c. 292, § 6.)

### **§ 4517 Approval of redevelopment plans.**

An authority shall not acquire real property for a redevelopment project unless the governing body of the community in which the redevelopment project area is located has approved the redevelopment plan, as prescribed in § 4525 of this title.

(48 Del. Laws, c. 345, § 6; 31 Del. C. 1953, § 4517.)

### **§ 4518 Finding of necessity by local governing body.**

An authority shall not exercise the authority conferred upon municipalities or communities by this chapter until after the local governing body shall have adopted a resolution finding that:

(1) One or more slum or blighted areas shall exist in such municipality or community; and

(2) The rehabilitation, conservation, redevelopment or a combination thereof, of such area or areas is necessary in the interest of the public health, safety, morals or welfare of the residents of such municipality or community.

(48 Del. Laws, c. 345, § 6; 31 Del. C. 1953, § 4518; 55 Del. Laws, c. 292, § 5.)

### **§ 4519 General plan prior to recommendation of redevelopment plan.**

An authority shall not recommend a redevelopment plan to the governing body of the community in which the redevelopment project area is located until a general plan for the development of the community has been prepared.

(48 Del. Laws, c. 345, § 6; 31 Del. C. 1953, § 4519.)

### **§ 4520 Preparation of redevelopment plan; contents.**

(a) The authority may itself prepare or cause to be prepared a redevelopment plan or any person or agency, public or private, may submit such a plan to an authority. A redevelopment plan shall be sufficiently complete to indicate its relationship to definite local objectives as to appropriate land uses, improved traffic, public transportation, public utilities, recreational and community facilities and other public improvements and the proposed land uses and building requirements in the redevelopment project area and shall include without being limited to:

- (1) The boundaries of the redevelopment project area, with a map showing the existing uses and condition of the real property therein;
- (2) A land use plan showing proposed uses of the area;
- (3) Information showing the standards of population densities, land coverage and building intensities in the area after redevelopment;
- (4) A statement of the proposed changes, if any, in zoning ordinances or maps, street layouts, street levels or grades, building codes and ordinances;
- (5) A site plan of the area; and
- (6) A statement as to the kind and number of additional public facilities or utilities which will be required to support the new land uses in the area after redevelopment.

(b) The authority, or any public body authorized to perform planning work, may prepare a general neighborhood renewal plan for urban renewal areas which may be of such scope that urban renewal activities may have to be carried out in stages over an estimated period of up to 10 years. Such plan may include, but is not limited to, a preliminary plan which (1) outlines the urban renewal activities proposed for the area involved, (2) provides a framework for the preparation of urban renewal plans, and (3) indicates generally the land uses, population density, building coverage, prospective requirements for rehabilitation and improvement of property and portions of the area contemplated for clearance and redevelopment. A general neighborhood renewal plan shall, in the determination of the local governing body, conform to the general plan of the locality as a whole and to the workable program of the municipality.

(c) The authority, or any public body authorized to perform planning work, may prepare or complete a communitywide plan or program for urban renewal which shall conform to the general plan for the development of the municipality or community as a whole and may include, but shall not be limited to, identification of slum or blighted areas, measurement of blight, determination of resources needed and available to renew such areas, identification of potential project areas and types of action contemplated and scheduling of urban renewal activities.

(48 Del. Laws, c. 345, § 6; 31 Del. C. 1953, § 4520; 55 Del. Laws, c. 292, § 9.)

### **§ 4521 Submission of plan for review and recommendations.**

Prior to recommending a redevelopment plan to the governing body for approval, an authority shall submit such plan to the planning commission of the community in which the redevelopment project area is located for review and recommendations as to its conformity with the general plan for the development of the community as a whole. The planning commission shall submit its written recommendations with respect to the proposed redevelopment plan to the authority within 30 days after receipt of the plan for review. Upon receipt of the recommendations of the planning commission or, if no recommendations are received within the 30 days, then without such recommendations, an authority may recommend the redevelopment plan to the governing body of the community for approval.

(48 Del. Laws, c. 345, § 6; 31 Del. C. 1953, § 4521.)

### **§ 4522 Considerations prior to recommendation of plan.**

Prior to recommending a redevelopment plan to the governing body for approval, an authority shall consider whether the proposed land uses and building requirements in the redevelopment project area are designed with the general purpose of accomplishing, in conformance with the general plan, a coordinated, adjusted and harmonious development of the community and its environs which will, in accordance with present and future needs, promote health, safety, morals, order, convenience, prosperity and the general welfare, as well as efficiency and economy in the process of development, including, among other things, adequate provision for traffic, vehicular parking, the promotion of safety from fire, panic and other dangers, adequate provision for light and air, the promotion of the healthful and convenient distribution of population, the provision of adequate transportation, water, sewerage and other public utilities, schools, parks, recreational and community facilities and other public requirements, the promotion of sound design and arrangement, the wise and efficient expenditure of public funds, the prevention of the recurrence of insanitary or unsafe dwelling accommodations, slums, or conditions of blight and the provision of adequate, safe and sanitary dwelling accommodations.

(48 Del. Laws, c. 345, § 6; 31 Del. C. 1953, § 4522.)

### **§ 4523 Statement of proposed costs; revenue, finances and relocation of displaced families.**

The recommendation of a redevelopment plan by an authority to the governing body shall be accompanied by the recommendations, if any, of the planning commission concerning the redevelopment plan, a statement of the proposed method and estimated cost of the acquisition and preparation for redevelopment of the redevelopment project area and the estimated proceeds or revenues from its disposal to redevelopers, a statement of the proposed method of financing the redevelopment project and a statement of a feasible method proposed for the relocation of families to be displaced from the redevelopment project area.

(48 Del. Laws, c. 345, § 6; 31 Del. C. 1953, § 4523.)

### **§ 4524 Public hearing; notice; publication.**

The governing body of the community shall hold a public hearing on any redevelopment plan or substantial modification thereof recommended by the authority, after reasonable public notice thereof by publication at least once a week for 2 consecutive weeks in a newspaper of general circulation in the community, the time of the hearing to be at least 10 days from the last publication. The notice shall describe the time, date, place and purpose of the hearing and shall also generally identify the area to be redeveloped under the plan. All interested parties shall be afforded at such public hearing a reasonable opportunity to express their views respecting the proposed redevelopment plan.

(48 Del. Laws, c. 345, § 6; 31 Del. C. 1953, § 4524.)

### **§ 4525 Approval of plan; required findings.**

(a) Following the hearing required by § 4524 of this title, the local governing body may approve an urban renewal project and the plan therefor if it finds that:

- (1) A feasible method exists for the location of families who will be displaced from the urban renewal area, in decent, safe and sanitary dwelling accommodations within their means and without undue hardship to such families;
- (2) The urban renewal plan conforms to the general plan of the municipality or community as a whole;
- (3) The urban renewal plan gives due consideration to the provision of adequate park and recreational areas and facilities that may be desirable for neighborhood improvement, with special consideration for the health, safety and welfare of children residing in the general vicinity of the site covered by the plan; and
- (4) The urban renewal plan will afford maximum opportunity, consistent with the sound needs of the municipality or community as a whole, for the rehabilitation or redevelopment of the urban renewal area by private enterprise.

(b) If the urban renewal area consists of an area of open land to be acquired by the municipality or community, such area shall not be so acquired unless:

- (1) If it is to be developed for residential uses, the local governing body shall determine that a shortage of housing of sound standards and design which is decent, safe and sanitary exists in the municipality or community, that the need for housing accommodations has been or will be increased as a result of the clearance of slums in other areas, that the conditions of blight in the area and the shortage of decent, safe and sanitary housing cause or contribute to an increase in and spread of disease and crime, and constitute a menace to the public health, safety, morals, or welfare, and that the acquisition of the area for residential uses is an integral part of and essential to the program of the municipality or community; or
- (2) If the area is to be developed for nonresidential uses, the local governing body shall determine that such nonresidential uses are necessary and appropriate to facilitate the proper growth and development of the community in accordance with sound planning standards and local community objectives, which acquisition may require the exercise of governmental action as provided in this chapter, because of defective or unusual conditions of title, diversity of ownership, tax delinquency, improper subdivisions, outmoded street patterns, deterioration of site, economic disuse, unsuitable topography or faulty lot layouts, the need for the correlation of the area with other areas of a municipality or community, by streets and modern traffic requirements, or any combination of such factors or other conditions which retard development of the area.

(48 Del. Laws, c. 345, § 6; 31 Del. C. 1953, § 4525; 55 Del. Laws, c. 292, § 8.)

### **§ 4526 Modification of plan; notice; objections.**

An urban renewal plan which has not been approved by the governing body when recommended by the authority may again be recommended to it with any modifications deemed advisable. A redevelopment plan may be modified at any time by the authority; provided, that, if modified after the lease or sale of real property in the urban renewal project area, the modification must be consented to by the redeveloper or redevelopers, or his or her successor or their successors who acquired 75% of the land in the project area and whose interest may be affected by the proposed modification.

The notice of the proposed modification shall be sent by certified mail to the last known address of the redeveloper or redevelopers of the real property, or his or her successor or successors, who shall have 30 days from the date of the notice to state objections to the modification. These objections will be submitted to the governing body at the time of the hearing. If no objections are made within the 30 days from the date of the notice, then the authority may recommend the plan and state to the governing body that there were no objections.

(48 Del. Laws, c. 345, § 6; 31 Del. C. 1953, § 4526; 57 Del. Laws, c. 565, § 1; 70 Del. Laws, c. 186, § 1.)

### **§ 4527 Disposal of property in redevelopment project.**

(a) An authority may sell, lease, exchange or otherwise transfer real property or any interest therein in a redevelopment project area to any redeveloper for residential, recreational, commercial, industrial or other uses or for public use in accordance with the redevelopment plan, subject to such covenants, conditions and restrictions as it may deem to be in the public interest or to carry out the purposes of this chapter. Such sale, lease, exchange or other transfer, and any agreement relating thereto, may be made only after, or subject to, the approval of the redevelopment plan by the governing body of the community. Such real property shall be sold, leased or transferred at its fair value for uses in accordance with the redevelopment plan, notwithstanding such value may be less than the cost of acquiring and

preparing such property for redevelopment. In determining the fair value of real property for uses in accordance with the redevelopment plan, an authority shall take into account and give consideration to the uses and purposes required by such plan, the restrictions upon, and the covenants, conditions and obligations assumed by the redeveloper of, such property, the objectives of the redevelopment plan for the prevention of the recurrence of slum or blighted areas and such other matters as the authority shall specify as being appropriate. In fixing rentals and selling prices, an authority shall give consideration to appraisals of the property for such uses made by land experts employed by the authority.

(b) An authority shall, by public notice by publication once each week for 2 consecutive weeks in a newspaper having a general circulation in the community, prior to the consideration of any redevelopment contract proposal, invite proposals from, and make available all pertinent information to private redevelopers or any persons interested in undertaking the redevelopment of an area, or any part thereof, which the governing body has declared to be in need of redevelopment. Such notice shall identify the area and shall state that such further information as is available may be obtained at the office of the authority. The authority shall consider all redevelopment proposals and the financial and legal ability of the prospective redevelopers to carry out their proposals and may negotiate with any redevelopers for proposals for the purchase or lease of any real property in the redevelopment project area. The authority may accept such redevelopment contract proposal as it deems to be in the public interest and in furtherance of the purposes of this chapter; provided, that the authority has, not less than 30 days prior thereto, notified the governing body in writing of its intention to accept such redevelopment contract proposal. Thereafter, the authority may execute such redevelopment contract in accordance with the provisions of subsection (a) of this section and deliver deeds, leases and other instruments and take all steps necessary to effectuate such redevelopment contract. At its discretion, the authority may, without regard to the foregoing provisions of this paragraph, dispose of real property in a redevelopment project area to private redevelopers for redevelopment under such reasonable competitive bidding procedures as it shall prescribe, subject to the provisions of subsection (a) of this section. Further the authority may, at its discretion, dispose of real property in a redevelopment project area to public, quasi-public, charitable and religious corporations by negotiation without resorting to the provisions of this subsection.

(c) An authority may temporarily operate and maintain real property in a redevelopment project area pending the disposition of the property for redevelopment without regard to the provisions of subsections (a) and (b) of this section, for such uses and purposes as may be deemed desirable even though not in conformity with the redevelopment plan.

(48 Del. Laws, c. 345, § 7; 31 Del. C. 1953, § 4527; 57 Del. Laws, c. 564, § 1.)

### **§ 4528 Eminent domain.**

An authority may acquire by the exercise of the power of eminent domain any real property which it may deem necessary for a redevelopment project or for its purposes under this chapter after the adoption by it of a resolution declaring that the acquisition of the real property described therein is necessary for such purposes. An authority may exercise the power of eminent domain in the manner prescribed by Chapter 61 of Title 10. Property already devoted to a public use may be acquired in like manner. No real property belonging to the municipality, the county or the State may be acquired without its consent. When an authority has found and determined by resolution that certain real property described therein is necessary for a redevelopment project or for its purposes under this chapter, the resolution shall be conclusive evidence that the acquisition of such real property is necessary for the purposes described therein.

(48 Del. Laws, c. 345, § 8; 31 Del. C. 1953, § 4528.)

### **§ 4529 Acquisition and development of undeveloped vacant land.**

Upon a determination by resolution of the governing body of the community in which such land is located that the acquisition and development of undeveloped vacant land, not within a slum or blighted area, is essential to the proper clearance or redevelopment of slum or blighted areas or a necessary part of the general slum clearance program of the community, the acquisition, planning, preparation for development or disposal of such land shall constitute a redevelopment project which may be undertaken by the authority in the manner provided in this chapter. The determination by the governing body shall be in lieu of the declaration required by § 4518 of this title, but shall not be made until the governing body finds that there is a shortage of decent, safe and sanitary housing in the community, that such undeveloped vacant land will be developed for predominantly residential uses, and that the provision of dwelling accommodations on such undeveloped vacant land is necessary to accomplish the relocation, in decent, safe and sanitary housing in the community of families to be displaced from slum or blighted areas which are to be redeveloped. In the undertaking of redevelopment projects on a regional or unified metropolitan basis, involving the acquisition and development of undeveloped vacant land in 1 community as an adjunct to the redevelopment of slum or blighted areas in another community, each determination or finding required in this section shall be made by the governing body of the community with respect to which the determination or finding relates.

(48 Del. Laws, c. 345, § 9; 31 Del. C. 1953, § 4529.)

### **§ 4530 Issuance of bonds.**

(a) An authority may issue bonds from time to time at its discretion for any of its corporate purposes including the payment of principal and interest upon any advances for surveys and plans for redevelopment projects. An authority may also issue refunding bonds for the purpose of paying or retiring or in exchange for bonds previously issued by it. An authority may issue such types of bonds as it may determine, including (without limiting the generality of the foregoing) bonds on which the principal and interest are payable:

(1) Exclusively from the income, proceeds and revenues of the redevelopment project financed with the proceeds of such bonds; or

(2) Exclusively from the income, proceeds and revenues of any of its redevelopment projects whether or not they are financed in whole or in part with the proceeds of such bonds.

Any such bonds may be additionally secured by a pledge of any loan, grant or contributions, or parts thereof, from the federal government or other source, or a mortgage on any redevelopment project or projects of the authority.

(b) Neither the commissioners of an authority nor any person executing the bonds shall be liable personally on the bonds by reason of the issuance thereof. The bonds and other obligations of the authority (and such bonds and obligations shall so state on their face) shall not be a debt of the municipality, the county or the State, nor in any event shall such bonds or obligations be payable out of any funds or properties other than those of such authority acquired for the purposes of this chapter. The bonds shall not constitute an indebtedness within the meaning of any constitutional or statutory debt limitation or restriction. Bonds of an authority are declared to be issued for an essential public and governmental purpose and to be public instrumentalities and, together with interest thereon and income therefrom, shall be exempt from all taxes.

(c) Bonds of an authority shall be authorized by its resolution and may be issued in 1 or more series and shall bear such date or dates, be payable upon demand or mature at such time or times, bear interest at such rate or rates, not exceeding 6% per annum, be in such denomination or denominations, be in such form either coupon or registered, carry such conversion or registration privileges, have such rank or priority, be executed in such manner, be payable in such medium of payment, at such place or places and be subject to such terms of redemption (with or without premium) as such resolution, its trust indenture or mortgage may provide.

(d) The bonds shall be sold at not less than par at public sale held after notice published once at least 10 days prior to such sale in a legal newspaper having a general circulation in the area of operation and in such other medium of publication as the authority may determine. Such bonds may be sold to the federal government at private sale at not less than par, and, in the event less than all of the bonds authorized in connection with any project or projects are sold to the federal government, the balance of such bonds may be sold at private sale at not less than par at an interest cost to the authority of not to exceed the interest cost to the authority of the portion of the bonds sold to the federal government.

(e) In case any of the commissioners or officers of the authority whose signatures appear on any bonds or coupons shall cease to be such commissioners or officers before the delivery of such bonds, such signatures shall, nevertheless, be valid and sufficient for all purposes, the same as if such commissioners or officers had remained in office until such delivery. Any provision of any law to the contrary notwithstanding, any bonds issued pursuant to this chapter shall be fully negotiable.

(f) In any suit, action or proceedings involving the validity or enforceability of any bond of an authority or the security therefor, any such bond reciting in substance that it has been issued by the authority to aid in financing a redevelopment project, as defined in § 4501 of this title, shall be conclusively deemed to have been issued for such purpose and such project shall be conclusively deemed to have been planned, located and carried out in accordance with this chapter.

(48 Del. Laws, c. 345, § 10; 31 Del. C. 1953, § 4530.)

### **§ 4531 Powers in connection with issuance of bonds.**

(a) In connection with the issuance of bonds or the incurring of obligations under leases and in order to secure the payment of such bonds or obligations, an authority, in addition to its other powers, may:

(1) Pledge all or any part of its gross or net rents, fees or revenues to which its right then exists or may thereafter come into existence;

(2) Mortgage all or any part of its real or personal property, then owned or thereafter acquired;

(3) Covenant against pledging all or any part of its rents, fees and revenues, or against mortgaging all or any part of its real or personal property, to which its right or title then exists or any thereafter come into existence or against permitting or suffering any lien on such revenues or property, covenant with respect to limitations on its right to sell, lease or otherwise dispose of any redevelopment project or any part thereof, and covenant as to what other, or additional debts or obligations may be incurred by it;

(4) Covenant as to the bonds to be issued and as to the issuance of such bonds in escrow or otherwise, and as to the use and disposition of the proceeds thereof, provide for the replacement of lost, destroyed or mutilated bonds, covenant against extending the time for the payment of its bonds or interest thereon, and covenant for the redemption of the bonds and provide the terms and conditions thereof;

(5) Covenant (subject to the limitations contained in this chapter) as to the amount of revenues to be raised each year or other period of time by rents, fees and other revenues, and as to the use and disposition to be made thereof, create or authorize the creation of special funds for moneys held for operating costs, debt service, reserves or other purposes and covenant as to the use and disposition of the moneys held in such funds;

(6) Prescribe the procedure, if any, by which the terms of any contract with bondholders may be amended or abrogated, the amount of bonds the holders of which must consent thereto and the manner in which such consent may be given;

(7) Covenant as to the use, maintenance and replacement of any or all of its real or personal property, the insurance to be carried thereon and the use and disposition of insurance moneys, and warrant its title to such property;

(8) Covenant as to the rights, liabilities, powers and duties arising upon the breach by it of any covenants, condition or obligation, and covenant and prescribe as to events of default and terms and conditions upon which any or all of its bonds or obligations shall become or may be declared due before maturity and as to the terms and conditions upon which such declaration and its consequences may be waived;

(9) Vest in any obligees of the authority the right to enforce the payment of the bonds or any covenants securing or relating to the bonds, vest in any obligee or obligees holding a specified amount in bonds the right, in the event of a default by the authority, take possession of and use, operate and manage any redevelopment project or any part thereof, title to which is in the authority, or any funds connected therewith, and collect the rents and revenues arising therefrom and dispose of such moneys in accordance with the agreement of the authority with such obligees, provide for the powers and duties of such obligees and limit the liabilities thereof, and provide the terms and conditions upon which such obligees may enforce any covenant or rights securing or relating to the bonds; and

(10) Exercise all or any part or combination of the powers herein granted, make such covenants (other than and in addition to the covenants herein expressly authorized) and do any and all such acts and things as may be necessary or convenient or desirable in order to secure its bonds, or, at the absolute discretion of the authority, as will tend to make the bonds more marketable notwithstanding that such covenants, acts or things may not be enumerated herein.

(b) An authority may by its resolution, trust indenture, mortgage, lease or other contract confer upon any obligee holding or representing a specified amount in bonds, the right (in addition to all rights that may otherwise be conferred), upon the happening of an event of default as defined in such resolution or instruments, by suit, action or proceeding in any court of competent jurisdiction:

(1) To cause possession of any redevelopment project or any part thereof, title to which is in the authority, to be surrendered to any such obligee;

(2) To obtain the appointment of a receiver of any redevelopment project of such authority or any part thereof, title to which is in the authority and of the rents and profits therefrom. If such receiver be appointed, the receiver may enter and take possession of, carry out, operate and maintain such project or any part thereof and collect and receive all fees, rents, revenues or other charges thereafter arising therefrom and shall keep such moneys in a separate account or accounts and apply the same in accordance with the obligations of such authority as the court shall direct; and

(3) To require such authority and the commissioners, officers, agents and employees thereof to account as if it and they were the trustees of an express trust.

(48 Del. Laws, c. 345, § 11; 31 Del. C. 1953, § 4531; 70 Del. Laws, c. 186, § 1.)

### **§ 4532 Rights of obligees.**

An obligee of an authority may, in addition to all other rights which may be conferred on such obligee, subject only to any contractual restrictions binding upon such obligee:

(1) By mandamus, suit, action or proceeding at law or in equity compel such authority and the commissioners, officers, agents or employees thereof to perform each and every term, provision and covenant contained in any contract of such authority with or for the benefit of such obligee and require the carrying out of any or all such covenants and agreements of such authority and the fulfillment of all duties imposed upon such authority by this chapter;

(2) By suit, action or proceeding in equity, enjoin any acts or things which may be unlawful or the violation of any of the rights of such obligee of such authority.

(48 Del. Laws, c. 345, § 12; 31 Del. C. 1953, § 4532.)

### **§ 4533 Bonds as legal investments.**

All public officers, municipal corporations, political subdivisions and public bodies, all banks, trust companies, bankers, savings banks and institutions, building and loan associations, savings and loan associations, investment companies and other persons carrying on a banking business, all insurance companies, insurance associations and other persons carrying on an insurance business, and all executors, administrators, curators, trustees and other fiduciaries may legally invest any sinking funds, moneys or other funds belonging to them or within their control in any bonds or other obligations issued by an authority pursuant to this chapter or by any public housing or redevelopment authority or commission or agency or any other public body in the United States for redevelopment purposes, when such bonds and other obligations are secured by an agreement between the issuing agency and the federal government in which the issuing agency agrees to borrow from the federal government and the federal government agrees to lend to the issuing agency, prior to the maturity of such bonds or other obligations, moneys in an amount which (together with any other moneys irrevocably committed to the payment of interest on such bonds or other obligations) will suffice to pay the principal of such bonds or other obligations with interest to maturity thereon, which moneys under the terms of such agreement are required to be used for the purpose of paying the principal of and the interest on such bonds or other obligations at their maturity and such bonds and other obligations shall be authorized security for all public deposits. It is the purpose of this section to authorize any persons, political subdivisions and officers, public or private, to use any funds owned or controlled by them for the purchase of any such bonds or other obligations. However, nothing contained in this section with regard to legal investments shall be construed as relieving any person of any duty of exercising reasonable care in selecting securities.

(48 Del. Laws, c. 345, § 13; 31 Del. C. 1953, § 4533.)

### **§ 4534 Conveyance to federal government on default.**

In any contract for financial assistance with the federal government the authority may obligate itself (which obligation shall be specifically enforceable and shall not constitute a mortgage, notwithstanding any other laws) to convey to the federal government

possession of or title to the redevelopment project and land therein to which such contract relates which is owned by the authority, upon the occurrence of a substantial default (as defined in such contract) with respect to the covenants or conditions to which the authority is subject, such contract may further provide that in case of such conveyance, the federal government may complete, operate, manage, lease, convey or otherwise deal with the redevelopment project in accordance with the terms of such contract; provided, that the contract requires that, as soon as practicable after the federal government is satisfied that all defaults with respect to the redevelopment project have been cured and that the redevelopment project will thereafter be operated in accordance with the terms of the contract, the federal government shall reconvey to the authority the redevelopment project as then constituted.

(48 Del. Laws, c. 345, § 14; 31 Del. C. 1953, § 4534.)

### **§ 4535 Property of authority exempt from taxes, from levy and sale by virtue of an execution.**

(a) All property including funds of an authority shall be exempt from levy and sale by virtue of an execution, and no execution or other judicial process shall issue against the same nor shall judgment against an authority be a charge or lien upon its property. The provisions of this section shall not apply to or limit the right of obligees to foreclose or otherwise enforce any mortgage of an authority or the right of obligees to pursue any remedies for the enforcement of any pledge or lien given by an authority on its rents, fees, grants or revenues.

(b) The property of an authority is declared to be public property used for essential public and governmental purposes and such property and an authority shall be exempt from all taxes of the municipality, the county, the State or any political subdivision thereof. With respect to any property in a redevelopment project, the tax exemption provided in this section shall terminate when the authority sells, leases or otherwise disposes of such property to a redeveloper for redevelopment.

(48 Del. Laws, c. 345, § 15; 31 Del. C. 1953, § 4535.)

### **§ 4536 Cooperation by public bodies.**

(a) For the purpose of aiding and cooperating in the planning, undertaking or carrying out of a redevelopment project located within the area in which it is authorized to act, any public body may, upon such terms, with or without consideration, as it determines:

(1) Dedicate, sell, convey or lease any of its interest in any property, or grant easements, licenses or any other rights or privileges therein to an authority;

(2) Cause parks, playgrounds, recreational, community, educational, water, sewer or drainage facilities, or any other works which it is otherwise empowered to undertake, to be furnished in connection with a redevelopment project;

(3) Furnish, dedicate, close, vacate, pave, install, grade, regrade, plan or replan streets, roads, sidewalks, ways or other places, which it is otherwise empowered to undertake;

(4) Plan or replan, zone or rezone any part of the public body or make exceptions from building regulations and ordinances if such functions are of the character which the public body is otherwise empowered to perform;

(5) Cause administrative and other services to be furnished to the authority of the character which the public body is otherwise empowered to undertake or furnish for the same or other purposes;

(6) Incur the entire expense of any public improvements made by such public body in exercising the powers granted in this section;

(7) Do any and all things necessary or convenient to aid and cooperate in the planning or carrying out of a redevelopment plan;

(8) Lend, grant or contribute funds to an authority;

(9) Employ any funds belonging to or within the control of such public body, including funds derived from the sale or furnishing of property, service, or facilities to an authority, in the purchase of the bonds or other obligations of an authority and, as the holder of such bonds or other obligations, exercise the rights connected therewith; and

**Subchapter II**  
**The Interstate Compact for Juveniles**

**§ 5203 The Interstate Compact for Juveniles.**

The Interstate Compact for Juveniles is enacted into law and entered into with all other jurisdictions legally joining therein in form substantially as follows:

**ARTICLE I. PURPOSE.**

The compacting states to this Interstate Compact recognize that each state is responsible for the proper supervision or return of juveniles, delinquents and status offenders who are on probation or parole and who have absconded, escaped or run away from supervision and control and in so doing have endangered their own safety and the safety of others. The compacting states also recognize that each state is responsible for the safe return of juveniles who have run away from home and in doing so have left their state of residence. The compacting states also recognize that Congress, by enacting the Crime Control Act, 4 U.S.C. § 112 (1965), has authorized and encouraged compacts for cooperative efforts and mutual assistance in the prevention of crime.

It is the purpose of this Compact, through means of joint and cooperative action among the compacting states to: (A) ensure that the adjudicated juveniles and status offenders subject to this Compact are provided adequate supervision and services in the receiving state as ordered by the adjudicating judge or parole authority in the sending state; (B) ensure that the public safety interests of the citizens, including the victims of juvenile offenders, in both the sending and receiving states are adequately protected; (C) return juveniles who have run away, absconded or escaped from supervision or control or have been accused of an offense to the state requesting their return; (D) make contracts for the cooperative institutionalization in public facilities in member states for delinquent youth needing special services; (E) provide for the effective tracking and supervision of juveniles; (F) equitably allocate the costs, benefits and obligations of the compacting states; (G) establish procedures to manage the movement between states of juvenile offenders released to the community under the jurisdiction of courts, juvenile departments, or any other criminal or juvenile justice agency which has jurisdiction over juvenile offenders; (H) insure immediate notice to jurisdictions where defined offenders are authorized to travel or to relocate across state lines; (I) establish procedures to resolve pending charges (detainers) against juvenile offenders prior to transfer or release to the community under the terms of this Compact; (J) establish a system of uniform data collection on information pertaining to juveniles subject to this Compact that allows access by authorized juvenile justice and criminal justice officials, and regular reporting of Compact activities to heads of state executive, judicial, and legislative branches and juvenile and criminal justice administrators; (K) monitor compliance with rules governing interstate movement of juveniles and initiate interventions to address and correct non-compliance; (L) coordinate training and education regarding the regulation of interstate movement of juveniles for officials involved in such activity; and (M) coordinate the implementation

and operation of the Compact with the Interstate Compact for the Placement of Children, the Interstate Compact for Adult Offender Supervision and other compacts affecting juveniles particularly in those cases where concurrent or overlapping supervision issues arise. It is the policy of the compacting states that the activities conducted by the Interstate Commission created herein are the formation of public policies and therefore are public business. Furthermore, the compacting states shall cooperate and observe their individual and collective duties and responsibilities for the prompt return and acceptance of juveniles subject to the provisions of this Compact. The provisions of this Compact shall be reasonably and liberally construed to accomplish the purposes and policies of the Compact.

#### Section C. Qualified Immunity, Defense and Indemnification.

1. The Commission's Executive Director and employees shall be immune from suit and liability, either personally or in their official capacity, for any claim for damage to or loss of property or personal injury or other civil liability caused or arising out of or relating to any actual or alleged act, error, or omission that occurred, or that such person had a reasonable basis for believing occurred within the scope of Commission employment, duties, or responsibilities; provided, that any such person shall not be protected from suit or liability for any damage, loss, injury, or liability caused by the intentional or wilful and wanton misconduct of any such person.

All rules and amendments shall become binding as of the date specified, as published with the final version of the rule as approved by the Commission.

C. When promulgating a rule, the Interstate Commission shall, at a minimum:

D. Allow, not later than sixty days after a rule is promulgated, any interested person to file a petition in the United States District Court for the District of Columbia or in the Federal District Court where the Interstate Commission's principal office is located for judicial review of such rule. If the Court finds that the Interstate Commission's action is not supported by substantial evidence in the rulemaking record, the Court shall hold the rule unlawful and set it aside. For purposes of this subsection, evidence is substantial if it would be considered substantial evidence under the Model State Administrative Procedures Act.

E. If a majority of the legislatures of the compacting states rejects a rule, those states may, by enactment of a statute or resolution in the same manner used to adopt the Compact, cause that such rule shall have no further force and effect in any compacting state.

F. The existing rules governing the operation of the Interstate Compact on Juveniles superseded by this Act shall be null and void twelve (12) months after the first meeting of the Interstate Commission created hereunder.

G. Upon determination by the Interstate Commission that a state-of-emergency exists, it may promulgate an emergency rule which shall become effective immediately upon adoption, provided that the usual rulemaking procedures provided hereunder shall be retroactively applied to said rule as soon as reasonably possible, but no later than ninety (90) days after the effective date of the emergency rule.

The provisions of this Compact and the rules promulgated hereunder shall be received by all the judges, public officers, commissions, and departments of the State government as evidence of the authorized statute and administrative rules. All Courts shall take judicial notice of the Compact and the rules. In any judicial or administrative proceeding in a compacting state pertaining to the subject matter of this Compact which may affect the powers, responsibilities or actions of the Interstate Commission, it shall be entitled to receive all service of process in any such proceeding, and shall have standing to intervene in the proceeding for all purposes.

The aggregate annual assessment amount shall be allocated based upon a formula to be determined by the Interstate Commission, taking into consideration the population of each compacting state and the volume of interstate movement of juveniles in each compacting state and shall promulgate a rule binding upon all compacting states which governs said assessment.

C. The Interstate Commission shall not incur any obligations of any kind prior to securing the funds adequate to meet the same; nor shall the Interstate Commission pledge the credit of any of the compacting states, except by and with the authority of the compacting state.

D. The Interstate Commission shall keep accurate accounts of all receipts and disbursements. The receipts and disbursements of the Interstate Commission shall be subject to the audit and accounting procedures established under its by-laws. However, all receipts and disbursements of funds handled by the Interstate Commission shall be audited yearly by a certified or licensed public accountant and the report of the audit shall be included in and become part of the annual report of the Interstate Commission.

### ARTICLE IX. THE STATE COUNCIL.

Each member state shall create a State Council for Interstate Juvenile Supervision. While each state may determine the membership of its own State Council, its membership must include at least one representative from the legislative, judicial, and executive branches of government, victims groups, and the Compact Administrator, Deputy Compact Administrator or designee. Each compacting state retains the right to determine the qualifications of the Compact Administrator or Deputy Administrator. Each State Council will advise and may exercise oversight and advocacy concerning that state's participation in Interstate Commission activities and other duties as may be determined by that state, including but not limited to, development of policy concerning operations and procedures of the Compact within that state.

The initial effective date shall be the later of July 1, 2004 or upon enactment into law by the 35th jurisdiction. Thereafter it shall become effective and binding as to any other compacting state upon enactment of the Compact into law by that state. The governors of non-member states or their designees shall be invited to participate in the activities of the Interstate Commission on a non-voting basis prior to adoption of the Compact by all states and territories of the United States.

C. The Interstate Commission may propose amendments to the Compact for enactment by the compacting states. No amendment shall become effective and binding upon the Interstate Commission and the compacting states unless and until it is enacted into law by unanimous consent of the compacting states.

### ARTICLE XI. WITHDRAWAL, DEFAULT, TERMINATION AND JUDICIAL ENFORCEMENT.

#### Section A. Withdrawal.

1. Once effective, the Compact shall continue in force and remain binding upon each and every compacting state; provided that a compacting state may withdraw from the Compact by specifically repealing the statute which enacted the Compact into law.

2. The effective date of withdrawal is the effective date of the repeal.

3. The withdrawing state shall immediately notify the Chairperson of the Interstate Commission in writing upon the introduction of legislation repealing this Compact in the withdrawing state. The Interstate Commission shall notify the other compacting states of the withdrawing state's intent to withdraw within sixty days of its receipt thereof.

4. The withdrawing state is responsible for all assessments, obligations and liabilities incurred through the effective date of withdrawal, including any obligations, the performance of which extend beyond the effective date of withdrawal.

b. Alternative Dispute Resolution;

c. Fines, fees, and costs in such amounts as are deemed to be reasonable as fixed by the Interstate Commission; and

d. Suspension or termination of membership in the Compact, which shall be imposed only after all other reasonable means of securing compliance under the by-laws and rules have been exhausted and the Interstate Commission has therefore determined that the offending state is in default. Immediate notice of suspension shall be given by the Interstate Commission to the Governor, the Chief Justice or the Chief Judicial Officer of the state, the majority and minority leaders of the defaulting state's legislature, and the State Council. The grounds for default include, but are not limited to, failure of a compacting state to perform such obligations or responsibilities imposed upon it by this Compact, the by-laws, or duly promulgated rules and any other grounds designated in commission by-laws and rules. The Interstate Commission shall immediately notify the defaulting state in writing of the penalty imposed by the Interstate Commission and of the default pending a cure of the default. The Commission shall stipulate the conditions and the time period within which the defaulting state must cure its default. If the defaulting state fails to cure the default within the time period specified by the Commission, the defaulting state shall be terminated from the Compact upon an affirmative vote of a majority of the compacting states and all rights, privileges and benefits conferred by this Compact shall be terminated from the effective date of termination.

2. Within sixty days of the effective date of termination of a defaulting state, the Commission shall notify the Governor, the Chief Justice or Chief Judicial Officer, the Majority and Minority Leaders of the defaulting state's legislature, and the State Council of such termination.

3. The defaulting state is responsible for all assessments, obligations and liabilities incurred through the effective date of termination including any obligations, the performance of which extends beyond the effective date of termination.

4. The Interstate Commission shall not bear any costs relating to the defaulting state unless otherwise mutually agreed upon in writing between the Interstate Commission and the defaulting state.

5. Reinstatement following termination of any compacting state requires both a reenactment of the Compact by the defaulting state and the approval of the Interstate Commission pursuant to the rules.

### Section C. Judicial Enforcement.

The Interstate Commission may, by majority vote of the members, initiate legal action in the United States District Court for the District of Columbia or, at the discretion of the Interstate Commission, in the federal district where the Interstate Commission has its offices, to enforce compliance with the provisions of the Compact, its duly promulgated rules and by-laws, against any compacting state in default. In the event judicial enforcement is necessary the prevailing party shall be awarded all costs of such litigation including reasonable attorneys fees.

### Section D. Dissolution of Compact.

1. The Compact dissolves effective upon the date of the withdrawal or default of the compacting state, which reduces membership in the Compact to one compacting state.

2. Upon the dissolution of this Compact, the Compact becomes null and void and shall be of no further force or effect, and the business and affairs of the Interstate Commission shall be concluded and any surplus funds shall be distributed in accordance with the by-laws.

## ARTICLE XII. SEVERABILITY AND CONSTRUCTION.

A. The provisions of this Compact shall be severable, and if any phrase, clause, sentence or provision is deemed unenforceable, the remaining provisions of the Compact shall be enforceable.

## ARTICLE XIII. BINDING EFFECT OF COMPACT AND OTHER LAWS.

### Section A. Other Laws.

1. Nothing herein prevents the enforcement of any other law of a compacting state that is not inconsistent with this Compact.
2. All compacting states' laws other than state Constitutions and other interstate Compacts conflicting with this Compact are superseded to the extent of the conflict.

### Section B. Binding Effect of the Compact.

1. All lawful actions of the Interstate Commission, including all rules and by-laws promulgated by the Interstate Commission, are binding upon the compacting states.

2. All agreements between the Interstate Commission and the compacting states are binding in accordance with their terms.

3. Upon the request of a party to a conflict over meaning or interpretation of Interstate Commission actions, and upon a majority vote of the compacting states, the Interstate Commission may issue advisory opinions regarding such meaning or interpretation.

In the event any provision of this Compact exceeds the constitutional limits imposed on the legislature of any compacting state, the obligations, duties, powers or jurisdiction sought to be conferred by such provision upon the Interstate Commission shall be ineffective and such obligations, duties, powers or jurisdiction shall remain in the compacting state and shall be exercised by the agency thereof to which such obligations, duties, powers or jurisdiction are delegated by law in effect at the time this Compact becomes effective.
